**Subject** : Co-financing commitment letter for "*Resilient Puna: Ecosystem based Adaptation approaches for sustainable high Andean communities and ecosystems in Peru*".

I am pleased to inform you that the National Service of Natural Protected Areas by the State – SERNANP responsible for the governance of the National System of Natural Protected Areas by the State (SINANPE), provides its support and backs the project "*Resilient Puna: Ecosystem based Adaptation approaches for sustainable high Andean communities and ecosystems in Peru*", that will be proposed by the Green Climate Fund (GCF) for funding.

In addition, the National Service of Natural Protected Areas - SERNANP will contribute with an in-kind co-financing for a total value of EUR 947,198 to the above mentioned project, should the proposal be approved.

Furthermore, you should consider that this letter does not constitute a legally binding commitment. The final funding decision is subject to legal, budgetary and policy considerations of the Peruvian Government and the project approval by the GCF Board.

I take this opportunity to express to you my highest consideration and personal esteem.

Yours sincerely,

**José Carlos Nieto Navarrete**  
Institutional Head of SERNANP
