

Call for Roster of Mediators for Employment and Labor and Disputes

Remote

The Green Climate Fund (“the Fund”) is a fund created to make a significant and ambitious contribution to the global efforts towards attaining the goals set by the international community to combat climate change. The Fund will promote low-emission and climate-resilient development pathways by providing support to developing countries to limit or reduce their greenhouse gas emissions and to adapt to the impacts of climate change.

The Fund will contribute to the achievement of the ultimate objective of the United Nations Framework Convention on Climate Change (UNFCCC). In the context of sustainable development, the Fund will promote the paradigm shift towards low-emission and climate-resilient development pathways by providing support to developing countries to limit or reduce their greenhouse gas emissions and to adapt to the impacts of climate change, taking into account the needs of those developing countries particularly vulnerable to the adverse effects of climate change.
