Policy on ethics and conflicts of interest for active observers of the Green Climate Fund

Summary

This document provides information on the proposed Policy on ethics and conflicts of interest for active observers of the Green Climate Fund in accordance with decisions B.09/03, B.10/13, and B.13/27, paragraph (b).
I. Introduction

1. At its ninth meeting, the Board adopted the policy on ethics and conflicts of interest for the Board of the Green Climate Fund. The development of that policy was overseen by the Ethics and Audit Committee (EAC) pursuant to the mandate given to it by the Board by decision B.05/13 and paragraphs 3(a) and 3(b) of the EAC’s terms of reference.

2. By decision B.09/03, the Board, while adopting the policy for the Board, requested the Secretariat to draft policies on ethics and conflicts of interest for the Executive Director, other Board-appointed officials, active observers and external members of panels established by the Board, to be considered by the EAC and recommended to the Board for adoption. The Board, on the recommendations of the EAC, has since adopted policies on ethics and conflicts of interest for the Executive Director, other Board appointed officials and external members of panels established by the Board.

3. The Board, by decision B.13/27, paragraph (b), requested the EAC, with the support of the Secretariat, to continue its work on recommended policies on ethics and conflicts of interest for active observers.

4. In response to the mandate in decision B.09/03, and pursuant to the following related decisions described above, the EAC reached a consensus on the Policy on Ethics and Conflicts of Interest for Active Observers prior to B.17. A draft Policy on Ethics and Conflicts of Interest for Active Observers was presented to the Board in document GCF/B.17/17 for its consideration at its seventeenth meeting (B.17) in July 2017. The Board took note of the document at that meeting.

5. Prior to the twenty-third meeting of the Board (B.23), the Co-Chairs invited comments from the Board on the draft Policy developed by the EAC. In light of the consultations with the Board, a revised version of the Policy on Ethics and Conflicts of Interest for Active Observers (hereinafter referred to as “the Policy”), taking into consideration inputs from the Board, is annexed hereto as annex II and is presented to the Board for its consideration.

6. In the report of seventeenth meeting of the Board, the Co-Chairs stated that they would continue consultations on this policy and would also invite comments from Board members, active observers, and observers. In accordance with this view comments from the active observers were invited. At the current time, the Co-Chairs are still consulting on the comments received and will report orally to the Board.

7. This document provides a brief overview of the main features and aspects of the Policy.

II. Background and rationale for the Policy

8. The Policy sets out the principles and ethical standards required of the active observers and provides guidance on matters of professional and personal behaviour of active observers, in connection with their participation in the meetings of the Board.

9. The EAC acknowledges that the following important principles and elements must form part of the Policy under which active observers (Covered Individuals) are covered:

(a) As a general obligation of active observers pursuant to the Policy, paragraph 6 thereof states that it is the duty of each Covered Individual to maintain the highest standards of integrity and ethics in their personal and professional conduct and to comply with the

Policy and all policies of the GCF as and when in effect and all laws, rules, and regulations to which she or he is subject;

(b) It prescribes the standards of conduct required of active observers during participation in meetings of the Board (section IV of the Policy);

(c) Conflicts of interest: A conflict of interest is defined in paragraph 17 of the Policy. Covered Individuals are under an obligation to disclose all actual or potential conflicts of interest as soon as they arise and to recuse themselves from participating in the discussion of any such item that is on the agenda of the meeting of the Board. All actual or potential conflicts of interest that are not addressed through the recusal shall be immediately disclosed in writing to the EAC (see paragraph 24 of the Policy). The Policy also provides that any conflict of interest that exists, and the measures by which it is resolved, must be properly documented (see paragraph 27 of the Policy);

(d) Other important elements that are dealt with in the Policy cover future employment with the GCF of the Covered Individual and their immediate family members and the acceptance of gifts and entertainment;

(e) Covered Individuals will have access to confidential information of the GCF and its operations that is deemed confidential according to the Information Disclosure Policy of the GCF. Therefore, as a general rule under the Policy, all the information that is deemed confidential should continue to be treated as such in accordance with the terms of the Information Disclosure Policy not only during but also after their term of office with the GCF comes to an end; and

(f) The mandate for overseeing compliance with the Policy and handling breaches of the Policy has been entrusted to the EAC.

III. Recommended action

10. It is recommended that the Board adopt the draft decision as set out in annex I.

policies of the Fund as and when in effect and all laws, rules, and regulations to which he or she is subject.

7. In order to reflect the importance of the Policy and the obligations contained in it, Covered Individuals shall, upon nomination as an Active Observer and being invited to participate in meetings of the Board and prior to attending every subsequent Board meeting, read and sign the Declaration of Confidentiality and Conflicts of Interest for Active Observers, a template of which is contained in Appendix I to the Policy, to be deposited with the Secretary to the Board.

8. Covered Individuals shall, in their interactions with others, act with tolerance, sensitivity, and respect for cultural differences. Any form of discrimination based on any ground, such as gender, race, colour, national, ethnic or social origin, language, religion or belief, membership of a national minority, disability, age or sexual orientation shall be against the Policy.

9. Covered Individuals shall abide by the following standards of conduct:
   (a) Covered Individuals shall at all times in their conduct act in good faith and shall not act in a manner that undermines the objectives of the Fund. In particular, Covered Individuals shall refrain from engaging in Prohibited Practices or Harassment;
   (b) Covered Individuals must not encourage anyone to take any actions in violation of paragraph 9(a) above or to engage in any Prohibited Practice or Harassment; and
   (c) Covered Individuals must disassociate themselves from, and report to the Ethics and Audit Committee, any suspected misconduct in connection with the Fund or the activities of the Fund, including those actions that violate paragraph 9(a) above or constitute any Prohibited Practice and/or Harassment, when it comes to their attention, in accordance with the procedure set out in section V below.

V. Non-compliance with the Policy

13. Alleged breaches of a provision of the Policy by a Covered Individual shall be referred to the Ethics and Audit Committee.

14. The Ethics and Audit Committee shall afford such Covered Individual an opportunity to explain the alleged breach of the Policy.

15. The Covered Individual who is alleged to have violated the Policy will be informed in writing and will be provided the opportunity to present his or her views of the alleged violation
to the Ethics and Audit Committee who will then make a recommendation to the Board on action to be taken against the Covered Individual. Pending the assessment of the alleged violations, the Covered Individual shall follow any measures that the Ethics and Audit Committee may determine to be taken on a temporary basis which may include placement of limits on their participation in the meetings or suspension. Non-compliance with this Policy may lead the Board to exclude such Covered Individual from the meeting in question and potentially from future meetings of the Board. The corresponding observer constituency may subsequently be requested to consider a replacement.

16. A Covered Individual against whom action has been taken pursuant to paragraph 15 above may appeal that action to the Board.

VI. Conflicts of interest

17. A conflict of interest arises when a Covered Individual has an interest, which may include but is not limited to a financial interest, that could, or reasonably could be perceived to, improperly influence the performance of her or his conduct as an Active Observer. It is acknowledged, however, that Covered Individuals are serving in a representative capacity of the broad group of civil society or private sector organizations, as the case may be, which themselves may have inherent interests in the outcome of issues before the Board.

18. In general, and without limitation, conflicts of interest may be deemed to exist in the following situations:

(a) Where a Covered Individual's interests, or the interests of an Immediate Family Member or Associated Institution (other than the civil society or private sector organizations the Covered Individual is representing) could affect the conduct of his or her participation in the meetings of the Board or result in a reasonable perception that a conflict of interest exists; and

(b) Where the Covered Individual’s actions create the perception that the Covered Individual is using his or her position at the Fund for his/her personal benefit or for the benefit of an Immediate Family Member or an Associated Institution.

19. If there is doubt whether a conflict, actual, apparent or perceived, exists, the Covered Individual concerned shall promptly refer the matter to the Chair of the Ethics and Audit Committee for guidance.

20. In order to avoid conflicts of interest and to strengthen the proper, transparent and independent governance of the Fund and its governing bodies, Covered Individuals shall, upon nomination as an Active Observer and being invited to participate in meetings of the Board, submit to the Secretary to the Board a list of their functions and roles outside the Fund that would have relevance or potential relevance to the business of the Fund and shall update such a list if and when required to reflect amendments. The Ethics and Audit Committee shall review the declaration but shall not make this list publicly available. Where a specific case of a conflict of interest arises the Ethics and Audit Committee will disclose it to the full Board and to the Executive Director.

21. Each Covered Individual shall:

(a) Exercise personal discretion in deciding whether he or she has an actual or perceived conflict of interest with respect to any matter under consideration by the Board; and

(b) Remain committed to observing, developing and implementing the principles embodied in this Policy in a conscientious, consistent and rigorous manner.
VII. Procedure when a conflict of interest arises

22. Covered Individuals must make a timely and full disclosure in any situation where they have a conflict of interest or where an appearance of a conflict of interest may reasonably be perceived. If a conflict of interest or the appearance of a conflict of interest arises, the Covered Individuals should take action, as appropriate, to address the conflict.

23. As a matter of principle, Covered Individuals shall disclose to the Head of the IIU and the Chair of the EAC any actual or perceived conflict of interest they may have in relation to any items on the agenda of Board meetings. Unless the EAC, in consultation with the Head of the IIU, directs otherwise, the Covered Individual shall be recused from participating in discussions of that item. A recused Covered Individual shall refrain from attempting to exert personal influence in connection with the issue being discussed or decided.

24. All actual or potential conflicts of interest or the reasonable appearance thereof that are not addressed through the recusal of the Covered Individual shall be immediately disclosed in writing to the Ethics and Audit Committee. In addition, any official of the Fund or any individual or entity may bring an actual or potential conflict of interest of a Covered Individual to the attention of the Ethics and Audit Committee.

25. The Ethics and Audit Committee shall promptly review these disclosures or any alleged conflicts of interest communicated to it and determine whether an actual or potential conflict of interest exists and, if so, whether to issue a waiver defining the extent to which such a Covered Individual may participate in any discussion of the issue that has given rise to the conflict, or to take any other action to manage, reduce, or eliminate the conflict. The Ethics and Audit Committee may also bring any conflicts of interest issue to the Board for further consideration and decision.

26. When it is determined by the Ethics and Audit Committee that an actual or potential conflict of interest exists, the Covered Individual shall not participate in the matter that has given rise to the conflict absent a waiver from the Ethics and Audit Committee or, if the matter has been referred to the Board, from the Board, and shall follow any other relevant direction given by the Ethics and Audit Committee or the Board.

VIII. Documentation of conflicts

27. The existence and resolution of the conflict of interest must be documented in the proceedings and/or report of the Board meeting at which such conflict of interest or an appearance of a conflict of interest arose.

IX. Transparency and disclosure of information

28. Covered Individuals explicitly acknowledge that they may have access to information regarding the Fund and its operations that is deemed confidential according to the Fund’s information disclosure policies and agree that they shall at all times respect the confidentiality of such information, and shall not disclose such information to anyone or use for the purpose of furthering their personal interest or the personal interest of any other person or entity for whom or which such information is not intended. The Covered Individuals shall comply with the information disclosure policies of the Fund. Covered Individuals shall not seek access to any documents containing confidential information or documentation relating to any agenda item where their participation is excluded.
29. Covered Individuals shall not disclose, both during and after their term of office, confidential information obtained from the Fund and/or project participants that is marked as proprietary and/or confidential ("Confidential Information"), without the written consent of the Fund and/or the provider of the information. If a Covered Individual believes that Confidential Information may have been improperly disclosed, he or she shall promptly inform the Ethics and Audit Committee and the Executive Director.\(^5\)

30. Covered Individuals shall consult the Executive Director if they have doubts as to whether certain information is deemed confidential.

X. Gifts and entertainment

31. All Covered Individuals and their Immediate Family Members are prohibited from accepting Gifts under circumstances where it could reasonably be construed that the Gift is motivated by the position of the Covered Individual in relation to the Fund and interests that could be substantially affected by the Fund.

32. All Covered Individuals and their Immediate Family Members are prohibited from giving Gifts where it could reasonably be construed that the Gift is intended to affect the policies or practices of the Fund or any of the programmes it funds.

XI. Employment by the Secretariat

33. Any Covered Individual and Immediate Family Member shall not be eligible for employment by the Secretariat, including as a consultant, until six months following the last date of service of the Covered Individual in the relevant position. The Board may waive this provision upon recommendation from the Ethics and Audit Committee. A request for such a waiver must be submitted by the individual concerned to the Ethics and Audit Committee before he or she applies for employment by the Secretariat. The Secretariat shall not take action on or accept an application for employment from such an individual unless a waiver has been granted by the Board.

XII. Review and amendment

34. The Board shall keep the Policy under regular review and, on the recommendation of the Ethics and Audit Committee, amend the Policy, as necessary, to ensure that the highest ethical standards are applied to the Covered Individuals.

\(^5\)The Executive Director is to be informed promptly in order to manage any potential liability towards third parties to whom the Fund has confidentiality obligations, for example under a non-disclosure agreement.
XIII. Effective date

35. The Policy shall come into effect upon adoption by the Board and shall remain in effect until amended or superseded by the Board.

36. Covered Individuals who have Active Observer status at the time this Policy comes into effect shall submit the signed Declaration of Confidentiality and Conflicts of Interest promptly upon the effective date of the Policy in accordance with paragraph 6 above and a list of roles and functions outside the Fund in accordance with paragraph 20 above.

37. Amendments to the Policy and any amendments thereto shall come into effect in accordance with paragraph 35 above.
