Provisional agenda item 23(b)

Policy on the Prevention and Protection from Sexual Exploitation, Sexual Abuse, and Sexual Harassment

Summary

This document proposes an updated Policy on the Prevention and Protection from Sexual Exploitation, Sexual Abuse, and Sexual Harassment for consideration and approval by the Board.

I. Introduction

1. The mission of the Green Climate Fund (GCF) is to promote the paradigm shift towards low-emission and climate-resilient development pathways by providing support to developing countries to limit or reduce their greenhouse gas emissions and to adapt to the impacts of climate change, taking into account the needs of those developing countries particularly vulnerable to the adverse effects of climate change. In fulfilling its mission and managing the resources committed to it, GCF is dedicated to maintaining the highest integrity standards in the conduct of its operations.

2. GCF has zero tolerance for all forms of sexual wrongdoing including Sexual Exploitation, Sexual Abuse, and Sexual Harassment (SEAH) in all Fund-related Activities. Sexual Exploitation and Sexual Abuse violate human dignity and universally recognised international legal norms and standards. Sexual Harassment results from a culture of discrimination and privilege, based on unequal relations and power dynamics. It creates hostile work and work-related environments, which limit the ability of affected persons to thrive and the GCF to achieve its mission. SEAH has no place at GCF.

3. This Policy sets out obligations expressing GCF's commitment to prevent, and respond to, SEAH effectively in Fund-related Activities, and to ensure that Covered Individuals, regardless of position, power, or seniority, who engage in SEAH will be subject to proportionate sanctions, disciplinary, or remedial measures.

4. In accordance with the terms of reference of the Head of the Independent Integrity Unit (IIU) and the IIU 2019 Work Plan, and decision B.22/18, paragraph (b), the IIU proposes this Policy on the Prevention and Protection from Sexual Exploitation, Sexual Abuse, and Sexual Harassment (the Policy) which, subject to consideration and approval by the Board, will supersede the Interim Policy on the Protection from Sexual Exploitation, Sexual Abuse, and Sexual Harassment adopted by the Board at its twenty-second meeting in February 2019 (decision B.22/18). The IIU initiated the development of this proposed updated Policy in early 2019, which included a review of international best practices, a call for public inputs, and numerous consultations with relevant divisions, offices, and units of the Secretariat including the Staff Council, staff, the Board, active observers, and accredited entities. Inputs received were taken into consideration and are reflected by IIU as far as possible in the draft Policy contained in annex II to this document.

5. Annex III contains a letter from the Ethics and Audit Committee Chairperson addressed to the Co-Chairs informing that the committee has approved document GCF/B.23/14 titled "Policy on the Prevention and Protection from Sexual Exploitation, Sexual Abuse, and Sexual Harassment" and the Chairperson endorses its transmission to the Board.

II. Recommended action by the Board

6. It is recommended that the Board approve the draft decision presented in annex I to this document.

Annex II: Policy on the Prevention and Protection from Sexual Exploitation, Sexual Abuse, and Sexual Harassment

I. Introduction

1. GCF has zero tolerance for all forms of sexual wrongdoing including Sexual Exploitation, Sexual Abuse, and Sexual Harassment (SEAH) in all Fund-related Activities. Sexual Exploitation and Sexual Abuse violate human dignity and universally recognised international legal norms and standards and have always been unacceptable behaviour. Sexual Harassment results from a culture of discrimination and privilege, based on unequal relations and power dynamics. It creates hostile work and work-related environments, which limit the ability of affected persons to thrive and GCF to achieve its mission. SEAH has no place at GCF.
2. GCF recognises the imperative to prevent and respond effectively to SEAH and to protect persons, especially vulnerable individuals, and victims of SEAH in Fund-related Activities. These protections are essential to strengthen integrity and accountability throughout GCF.

II. Scope

3. The Policy on the Prevention and Protection from Sexual Exploitation, Sexual Abuse, and Sexual Harassment (the Policy) establishes GCF's zero tolerance of SEAH. It sets clear obligations for GCF Covered Individuals and its Counterparties to prevent and respond to SEAH and to refrain from condoning, encouraging, participating in, or engaging in SEAH.
