GENERAL INFORMATION

Time difference

Korean Time is 9 hours ahead of Coordinated Universal Time (UTC+9).

Weather

Korea is renowned for its four distinct seasons.

Fall starts from October.

At the time of the 14th Board Meeting, the average temperature will range from 10°C (50°F) to 25°C (77°F) with occasional showers.

Currency

The unit of currency is the Korean Won (KRW).

Foreign bank notes and traveler's checks can be converted into the Korean Won at foreign exchange banks and other authorized money exchange outlets. The exchange rate is subject to market fluctuations. As of September 2016, USD 1 is approximately KRW 1,115.

ATM and currency exchange facilities are available at the G-Tower.

Electricity

The standard voltage in Korea is 220 volts. The outlet is the same type used in continental Europe and many other countries.

Mobile phone rental

You may rent a mobile phone at Incheon International Airport. Users can rent a handset, and pay rental and call charges upon returning the phone. Applicants are required to provide identification, a credit card and a service contract (available at the booth). For more information, please visit the website of each service provider.
