## GENERAL INFORMATION

### Time Difference

Korean Standard Time is nine hours ahead of Coordinated Universal Time (UTC+9).

### Weather

Korea is renowned for its four distinct seasons. At the time of the 20<sup>th</sup> meeting of the Board, the average temperature will range from 22°C (71°F) to 30°C (86°F).

### Air Quality

Annual average air quality index (AQI) of Incheon last year was 56 (moderate). It is acceptable, but there may be a moderate health concern for a very small number of people who are unusually sensitive to air pollution.

### Currency

The unit of the Korean currency is the Korean Won (KRW).

Foreign bank notes and traveler's checks can be converted into the Korean Won at foreign exchange banks and other authorized money exchange outlets. The exchange rate is subject to market fluctuations. As of May 2018, USD 1 is approximately KRW1,072.

ATM and currency exchange banks are also available at G-Tower.

### Electricity

The standard voltage in Korea is 220 volt. The outlet is the same type used in continental Europe and many other countries.

### Mobile Phone Rental

You may rent a mobile phone at Incheon International Airport. Users can rent a handset, and pay rental and call charges upon returning the phone. Applicants are required to provide identification, a credit card and a service contract. For more information, please visit the website of each service provider.
