	CLARIFICATION REQUEST	ANSWER
1	“Are we able to submit questions?”	Yes. Bidders can submit request for clarifications as instructed in the RFP.
2	“Is this the email address we can send the proposal to (as it's not in the RFQ itself)?”	The email address for submission is: procurement@gcfund.org This email is provided in the RFP Instructions.
3	“Can the company be based elsewhere, or do you prefer a Korean based company?”	The company can be based anywhere. In the case that the company is not local, then it would be useful if the firm were able to provide the option of sub-contracting filming to a local freelancer (ie.g. if filming at GCF HQ building in Songdo is required as part of a future request).
