

RFP No. RFP/2018/C/014

**Consultancy services for Support to the GCF Secretariat for
Development of Risk Control Self Assessment (“RCSA”) process**

Songdo, Incheon City, Republic of Korea.
11th June, 2018

Following clarifications (in red ink) are provided to two questions submitted to the captioned RFP.

1. Timing: Please confirm the expected start date and duration of the assignment.
-Duration of the assignment: up to 7 weeks
-Expected start date: 27 August 2018
2. Inputs: Please confirm if possible the total inputs as well as input per expert required for this assignment (in person months).
Detailed requirement of the Consultants to be assigned is described in Section E of Annex I (Terms of Reference). Based on this requirement, each consultant is invited to propose their work plan and relevant inputs via Form TECH-7 and Form FIN-2.

Yours sincerely,

Green Climate Fund
