
Annex III: Invitation to communication consultants to register with Fund's roster of consultants

I. Context

1. The Green Climate Fund is a new multilateral Fund that was agreed by Parties under the United Nations Framework Convention on Climate Change. The Fund's purpose is to make a significant and ambitious contribution to the global effort to limit global temperature increases to 2° Celsius by providing support to developing countries to limit or reduce their greenhouse gas emissions and to adapt to the impacts of climate change.

II. Invitation to register

2. The Green Climate Fund anticipates engaging external communication experts to assist with various aspects of its communication. Experts will be recruited from the Fund's or the UNFCCC roster of consultants, according to the needs of specific communication projects. Communication needs may include providing support in drafting a communication strategy for the Fund, or providing support in the execution of various parts of that strategy.

3. Services will be required on a short-term basis to provide outside expertise, special skills or knowledge not available from regular staff of the Interim Secretariat and for which there is no continuing need.

4. Whenever relevant opportunities arise, potential candidates with the required expertise will be identified and contacted.

5. Interested consultants with an expertise in communication are invited to register with the Fund's roster of consultants: <http://gcfund.net/secretariat/consultant-roster.html>.
