

Annex V: Status of accredited entities addressing accreditation conditions

1. During the ninth, tenth, twelfth and fourteenth meetings of the Board, 41 entities were recommended by the Accreditation Panel (AP) and accredited by the Board, some of which were accredited with conditions and others with recommendations or remarks from the AP. All accredited entities are required to submit to the AP, through the Secretariat, information and supporting documents on how they have addressed the condition(s). The AP thereafter assesses whether the condition(s) has/have been met. Following decision B.10/06, paragraph (e), the assessment of the AP, as contained in tables 4 and 5 below, is communicated to the Board by the Secretariat, on behalf of the AP, for information purposes.
2. Table 4 includes the accredited entities for which conditions of accreditation have been “fulfilled and closed”. These entities may have had recommendations or remarks raised by the AP as a part of those entities’ recommendation for accreditation, which may be “fulfilled” or “in progress”.
3. Table 5 includes the accredited entities for which conditions of accreditation, in part or whole, are “in progress”. These entities may also have recommendations or remarks raised by the AP.

Table 4: Accredited entities that have closed accreditation conditions (as at 30 November 2016)

Entity	Accreditation condition, recommendation or remark	Standard	Time frame	Description of accreditation conditions, recommendations and remarks	Status	Remarks
Acumen Fund, Inc. (Acumen) ¹	Conditions	Fiduciary	Conditions prior to the first disbursement by the GCF for an approved project/programme to be undertaken by the entity	(i) Publishing on its website the terms of reference that outline the purpose, authority and accountability of the function;	Fulfilled and closed	As reported in document GCF/B.11/03, a publicly available link to the entity’s anti-corruption policy that describes its investigation function is available on the entity’s website
			Conditions prior to the first disbursement by the GCF for an approved project/programme	(ii) Ensuring the functional independence of the responsible officer;	Fulfilled and closed	As reported in document GCF/B.11/03, the investigation policy approved by the entity’s board provides assurance of independence

Entity	Accreditation condition, recommendation or remark	Standard	Time frame	Description of accreditation conditions, recommendations and remarks	Status	Remarks
			to be undertaken by the entity			
			Conditions prior to the first disbursement by the GCF for an approved project/programme to be undertaken by the entity	(iii) Including guidelines for processing cases, and standardized procedures for handling complaints and managing cases before, during and after the investigation process; and	Fulfilled and closed	As reported in document GCF/B.11/03, the investigation policy provides the required elements. No assessment is made at this time of the effective implementation of the policy approved by the board of Acumen. Although not a requirement as part of the condition, the entity is addressing a request from the AP for evidence of the effective implementation of the policy
			Conditions prior to the first disbursement by the GCF for an approved project/programme to be undertaken by the entity	(iv) Defining a process for periodically reporting case trends	Fulfilled and closed	As reported in document GCF/B.11/03, provision has been made to report case trends to the Audit and Finance Committee on a periodic basis
		Gender	Conditions prior to the first disbursement by the GCF for an approved project/programme to be undertaken by the entity	(i) Develop a gender policy; and	Fulfilled and closed	The AP concluded that the Acumen gender policy (published on the entity's website), including approval of the policy by its board, a comprehensive report on the implementation of the policy, and strategies and action plans outlined in the policy as provided by the entity, represent sufficient evidence to close the condition

Entity	Accreditation condition, recommendation or remark	Standard	Time frame	Description of accreditation conditions, recommendations and remarks	Status	Remarks
			Conditions prior to the first disbursement by the GCF for an approved project/programme to be undertaken by the entity	(ii) Obtain the competencies required in order to implement the policy	Fulfilled and closed	The AP concluded that the information provided on the gender-related competencies and resources was sufficient evidence to ascertain that competencies are available in Acumen and its partner organizations to effectively manage, monitor and address gender-related issues by implementing its gender policy
	Recommendations	ESS ²	None	It is recommended that the applicant seek to deepen its knowledge of the interim ESS of the GCF, while further developing its relatively new ESMS ³ processes in order to support a potential future application for accreditation against medium E&S ⁴ risk level Category B/I-2. It is additionally recommended that the applicant strengthen its E&S reporting function	In progress	As reported in document GCF/B.11/03, the entity is actively seeking to deepen its knowledge of the interim ESS of the GCF. In the event that it endeavours to undertake projects with medium E&S risk Category B/I-2 in the future, it will upgrade its ESMS and seek an upgrade in its accreditation type accordingly Acumen participated, with assistance from the Readiness and Preparatory Support Programme, in the interim ESS of the GCF and the gender training workshop for direct access entities held at GCF Headquarters in September 2015
Africa Finance Corporation ⁵	Conditions	Gender	Condition prior to the first disbursement by the GCF for an approved project/programme	Develop a gender policy consistent with the gender policy of the GCF to be applied in projects and	Fulfilled and closed	The entity submitted its gender policy including evidence of approval by its board. The approved gender policy provided by the entity complies with the requirements regarding the development of a gender

Entity	Accreditation condition, recommendation or remark	Standard	Time frame	Description of accreditation conditions, recommendations and remarks	Status	Remarks
			to be undertaken by the entity	programmes funded by the GCF		policy that is consistent with the Gender policy of the GCF
	Recommendations	ESS		It is recommended that the applicant seek external assistance so as to further develop its E&S policy and its application as appropriate for the type of activities for which it will seek finance from the GCF	In progress	The entity informed the GCF that it had hired an experienced E&S Risk Manager who would commence duty in September 2016. The entity had also retained the services of an E&S consulting firm that is had engaged for the last three years. The AP requested the entity to provide the curriculum vitae of the E&S Risk Manager. In addition, the entity was requested to confirm if it is working on developing its E&S policy, as appropriate, regarding its anticipated engagement with the GCF
		Fiduciary		Relating to the investigation function: It is recommended that the applicant complement its investigation function with a mechanism, such as a link on its website, in order to receive and process third-party complaints that arise from projects financed by the applicant	In progress	The AP takes note that the entity has informed the GCF that it had provided an e-mail address which is available on its website to receive third-party complaints, however, the AP was only able to find a general inquiry e-mail link and unable to identify the link to this e-mail address on the applicant's website in relation to the entity's investigation function

Entity	Accreditation condition, recommendation or remark	Standard	Time frame	Description of accreditation conditions, recommendations and remarks	Status	Remarks
Agence Française de Développement ⁶	Recommendations	ESS		The AP recommends that the applicant finalize the implementation of its stakeholder response mechanism and make the contact information for submitting and registering a complaint publically available on its website	In progress	The entity informed the GCF that its stakeholder response mechanism was presented to its board in March 2016, and it plans to integrate the mechanism in its procedures by the end of the third quarter of 2016. The recruitment of independent experts who will implement the procedures is under way and may be effective during the last quarter of 2016. The entity will provide relevant documentation for review by the AP after finalizing the implementation of its stakeholder response mechanism
				The applicant is currently developing a new ESS procedural framework for the period following 2016 and is requested to submit it to the Fund when it is ready.	In progress	The entity informed the GCF that it is currently working on publishing its new E&S policy externally, based on its E&S procedural framework approved in November 2015. The policy will be published by the end of 2016 following internal clearance. The entity will provide relevant documentation for review by the AP after publication of its E&S policy
Agency for Agricultural Development of Morocco ⁷	Conditions	Fiduciary	Conditions prior to the first disbursement by the GCF for an approved project/programme	Relating to investigation function: 1. Approve, through the applicant's board, the policies and procedures that	Fulfilled and closed	The entity confirmed that its general director approved the policies and procedures that pertain to investigations. Furthermore, the applicant stated in its recently developed investigations function

Entity	Accreditation condition, recommendation or remark	Standard	Time frame	Description of accreditation conditions, recommendations and remarks	Status	Remarks
			to be undertaken by the entity	<p>pertain to investigations. The approved policy should contain the following elements:</p> <p>a. Publicly available terms of reference that outline the purpose, authority and accountability of the function;</p>		<p>manual that “[The] manual of fraud prevention is published with the permission of governance bodies and management of the ADA”</p> <p>The entity provided a copy of its recently developed investigations function manual, which contains the required elements to comply with the GCF basic fiduciary standard regarding investigations</p>
				<p>b. Guidelines to process cases, including standardized procedures to handle complaints received and to manage them before, during and after the investigation process; and</p>	Fulfilled and closed	<p>The entity provided a copy of its recently developed investigations function manual, which contains the required elements to comply with the GCF basic fiduciary standard regarding investigations</p>
				<p>c. A registry specifically for cases of fraud and corruption;</p>	Fulfilled and closed	<p>The entity provided a copy of its recently developed investigations function manual, which contains the required elements to comply with the GCF basic fiduciary standard regarding investigations</p>

Entity	Accreditation condition, recommendation or remark	Standard	Time frame	Description of accreditation conditions, recommendations and remarks	Status	Remarks
			Conditions prior to the first disbursement by the GCF for an approved project/programme to be undertaken by the entity	2. Publish both (a) and (b) above; and	Fulfilled and closed	The entity provided a copy of its recently developed investigations function manual, which contains the required elements to comply with the GCF basic fiduciary standard regarding investigations
			Conditions prior to the first disbursement by the GCF for an approved project/programme to be undertaken by the entity	3. Formalize the process for periodically reporting case trends.	Fulfilled and closed	The entity provided a copy of its recently developed investigations function manual, which contains the required elements to comply with the GCF basic fiduciary standard regarding investigations
Centre de Suivi Ecologique (CSE) ⁸	Conditions	Fiduciary	Conditions prior to the first disbursement by the GCF for an approved project/programme to be undertaken by the entity	Related to the investigation function: (i) Publishing on its website terms of reference that outline the purpose, authority and accountability of the function;	Fulfilled and closed	The policy has been published on the entity's website and it has been established that the website address is operational. As reported in document GCF/B.11/03, the external investigative function portion of the condition has been met
			Conditions prior to the first disbursement by the GCF for an approved	(ii) Ensuring the functional independence of the responsible officer;	Fulfilled and closed	The entity has confirmed the independence of the internal control officer. As reported in document GCF/B.11/03, with regard to external investigations, the functional

Entity	Accreditation condition, recommendation or remark	Standard	Time frame	Description of accreditation conditions, recommendations and remarks	Status	Remarks
			project/programme to be undertaken by the entity			independence of the responsible officer has been established
			Conditions prior to the first disbursement by the GCF for an approved project/programme to be undertaken by the entity	(iii) Including guidelines for processing cases, and standardized procedures for handling complaints and managing cases before, during and after the investigation process; and	Fulfilled and closed	As reported in document GCF/B.11/03, guidelines for processing cases for internal investigations are provided for in the policy for preventing and combating fraud and corruption of CSE. The policy has been published on the entity's website and it has been established that the website address is operational
			Conditions prior to the first disbursement by the GCF for an approved project/programme to be undertaken by the entity	(iv) Defining a process for periodically reporting case trends	Fulfilled and closed	The policy which was formally established in December 2015 includes provisions for a process for reporting on case trends. As reported in document GCF/B.11/03, the reporting of case trends is provided for in the policy for preventing and combating fraud and corruption of CSE
		Gender	Conditions prior to the first disbursement by the GCF for an approved project/programme to be undertaken by the entity	(i) Develop a gender policy; and	Fulfilled and closed	A gender policy has been drafted, and the policy confirms that it will align with the Gender policy of the GCF. Furthermore, the gender policy includes actions plans. In this regard, it has provided key indicators for the purposes of monitoring progress

Entity	Accreditation condition, recommendation or remark	Standard	Time frame	Description of accreditation conditions, recommendations and remarks	Status	Remarks
			Conditions prior to the first disbursement by the GCF for an approved project/programme to be undertaken by the entity	(ii) Obtain the competencies required in order to implement the policy	Fulfilled and closed	<p>The entity has appointed two focal points for gender-related matters. It has also benefitted from capacity-building activities and the action plan included in the gender policy provides for additional capacity-building so as to ensure that the entity is up to date with the latest gender-related developments</p> <p>CSE participated, with assistance from the Readiness and Preparatory Support Programme, in the interim ESS of the GCF and the gender training workshop for direct access entities held at GCF Headquarters in September 2015</p>

Entity	Accreditation condition, recommendation or remark	Standard	Time frame	Description of accreditation conditions, recommendations and remarks	Status	Remarks
	Recommendations	ESS		It is recommended that the applicant seek to deepen its knowledge of the interim ESS of the GCF, while further developing its ESMS in order to support a potential future application for accreditation against medium E&S risk level Category B/Intermediation 2 (I-2)	In progress	As reported in document GCF/B.12/07, the AP is reviewing the information submitted by the entity on its environmental and social policy and grievance management mechanism, and procedures for the mitigation of E&S risks and impacts, which was submitted in an effort to support the entity's potential future application for accreditation against medium E&S risk level Category B/I-2 CSE participated, with assistance from the Readiness and Preparatory Support Programme, in the interim ESS of the GCF and the gender training workshop for direct access entities held at GCF Headquarters in September 2015
Conservation International Foundation ⁹	Recommendations	ESS		It is recommended that the applicant seek to deepen its knowledge and application of the interim ESS of the GCF in order to support a potential future upgrade of its accreditation to medium E&S risk level Category B/I-2	In progress	As reported in document GCF/B.12/07, the entity informed the GCF that it will deepen its knowledge of the interim ESS of the GCF. Through implementation of the projects of the GCF, it will acquire experience in applying the interim ESS of the GCF. The entity has submitted an application for an upgrade of its accreditation type from minimal to no E&S risk Category C/I-3 to Category B/I-2

Entity	Accreditation condition, recommendation or remark	Standard	Time frame	Description of accreditation conditions, recommendations and remarks	Status	Remarks
Corporación Andina de Fomento (CAF) ¹⁰	Conditions	ESS	Conditions prior to the first disbursement by the GCF for an approved project/programme to be undertaken by the entity	(i) Ensure that project-specific performance standard 2 is fully aligned with the ESS of the GCF when it is applied in projects, and to strengthen its monitoring and review of E&S ⁶ risks and impacts, as part of its ESMS; ⁷ and	Fulfilled and closed	The entity provided a full set of procedures and manuals for E&S safeguards of its operations approved by its senior management in May 2016
			Conditions prior to the first disbursement by the GCF for an approved project/programme to be undertaken by the entity	(ii) Approve by senior management, the consolidated blueprint for E&S management and communicate the blueprint within the organization and to its executing entities	Fulfilled and closed	The entity provided additional information on its E&S safeguards management manual approved by its senior management. The consolidated manual meets all internal standards and specifications, including the safeguard on working and labour conditions
Development Bank of Southern Africa ¹¹	Conditions	ESS	Condition prior to the first disbursement by the GCF for an approved project/programme to be undertaken by the entity	Develop an external communications mechanism, which provides a system to receive, document and respond to questions or complaints from the general public	Fulfilled and closed	The entity has provided the evidence on its establishment of a complaints register on its website. The register is fully functional
	Recommendations	ESS		The AP notes that the applicant has well-developed internal E&S	Fulfilled	The entity provided information on knowledge-sharing with national entities its

Entity	Accreditation condition, recommendation or remark	Standard	Time frame	Description of accreditation conditions, recommendations and remarks	Status	Remarks
				training programmes for its employees. The applicant is encouraged to share such experience with the financial institutions in the region in this regard		region that are in the process of applying for GCF accreditation
European Investment Bank ¹²	Recommendations	Gender		The applicant is encouraged to further enhance its strategic approach to gender with a view to integrating a formalized gender-sensitive approach in its ongoing operations. The applicant is invited to share such a strategy with the GCF once it is finalized and formally adopted	In progress	The entity has been requested to provide information on the efforts it is taking to address the remark. The GCF is waiting for a response from the entity on the expected time frame for providing the information
International Bank for Reconstruction and Development and International Development Association (together known as the World Bank) ¹³	Recommendations	ESS		The applicant is currently undertaking a review and possible revision of its own ESS and is requested to keep the GCF informed of developments in this respect	In progress	As reported in document GCF/B.12/07, the entity informed the AP of updates regarding its review of its ESS, which are published on its website. The AP noted the progress made towards the revision. The AP requested the entity to provide further updates on the revision of its ESS when available

Entity	Accreditation condition, recommendation or remark	Standard	Time frame	Description of accreditation conditions, recommendations and remarks	Status	Remarks
International Finance Corporation ¹⁴	Recommendations	ESS		1. In the course of its due diligence, the AP has been made aware that in 2011 the applicant conducted an audit of the environmental and social management system of its financial intermediaries and developed an action plan in response to the audit findings. The AP would like to request the applicant to report to the GCF on the progress made in the implementation of this action plan	In progress	The entity has been requested to provide information on the efforts it is taking to address the remark. The GCF is waiting for a response from the entity on the expected time frame for providing the information
				2. In the course of its due diligence, the AP has been made aware of the applicant's participation in the work on the harmonization of the E&S standards used by a number of international financial institutions. The AP encourages the applicant to further pursue this initiative among other multilateral financial institutions and	In progress	The entity has been requested to provide information on the efforts it is taking to address the remark. The GCF is waiting for a response from the entity on the expected time frame for providing the information

Entity	Accreditation condition, recommendation or remark	Standard	Time frame	Description of accreditation conditions, recommendations and remarks	Status	Remarks
				inform the GCF on the progress in this process		
International Fund for Agricultural Development ¹⁵	Recommendations	Fiduciary		In the course of the accreditation review assessment, the AP noted that the applicant is in the process of finalizing the first major revision to its financial management administration manual – a comprehensive financial management framework document released in 2012. The updated manual contains fundamental provisions regarding the types of financing provided by the applicant, the project cycle overview, financial management at project design and approval, the financing agreement and its negotiation process, project supervision, the withdrawal and disbursement process, audit and financial reporting requirements, conditions on loan repayments and debt services, financial	In progress	The AP is reviewing the information submitted by the entity on its financial management administration manual and a mid-term review report on an adaptation programme for smallholder agriculture
