This document lists the decisions made with regard to IDP004, received by the GCF Secretariat on 12 November 2017. The request contains multiple inquiries, with some items being granted and others denied. As such, this request has been **partially granted**.

Inquiry	Decision
Number of project proposals received by GCF in the last year	Granted
Number of project proposals that were 100% adaptation proposals	Denied, as per paragraph 24 of the Information Disclosure Policy (information does not exist). GCF clarified that the information is not readily available.
Number of project proposals that were cross-cutting	Denied, as per paragraph 24 of the Information Disclosure Policy (information does not exist). GCF clarified that the information is not readily available.
List of cross-cutting proposals (2016-2017) with details on the mitigation and adaptation proportions	Denied, as per paragraph 24 of the Information Disclosure Policy (information does not exist). GCF clarified that the volume of funding requested for cross-cutting proposals is not disaggregated between mitigation and adaptation impacts.
Number of withdrawn proposals, and of such, number of those that were adaptation proposals	Granted
If any, requirement for applicants to provide a reason for withdrawal of the project proposal	Denied, as per paragraph 24 of the Information Disclosure Policy (information does not exist). GCF clarified that applicants are not required to provide a reason.
Most common reasons for withdrawal, and withdrawal notifications by applicants	Denied, as per paragraph 11(f)(i) of the Information Disclosure Policy (deliberative information).
Number of total proposals that were removed by GCF as opposed to withdrawn by applicants; number of those that are adaptation proposals; requirement for the Board to provide reasons for removal in writing; common factors for removal of adaptation proposals; and removal decisions by the Board	Denied, as per paragraph 24 of the Information Disclosure Policy (information does not exist). GCF clarified that it does not remove FPs. Rather, the Board may decide to approve or not approve an FP as evinced in the reports of the meetings and video recordings.
Number of adaptation project proposals approved by the GCF Board in the last year, ideally from 20 August 2016 to 20 August 2017, reasons for approval provided by the GCF Board, and list of criteria that the GCF Board refers to decide the approval of proposals	Granted
Adaptation and mitigation proportions in the number of cross-cutting proposals in the GCF approval pipeline for the periods ending 20 August 2017, 15 May 2017, 21 January 2017,	Denied, as per paragraph 24 of the Information Disclosure Policy (information does not exist). GCF clarified that the volume of funding requested for cross-cutting

31 October 2016, and in the number of cross-cutting PPF proposals in the GCF approval pipeline for the periods ending 20 August 2017 and 15 May 2017	proposals is not disaggregated between mitigation and adaptation impacts.
