This document lists the decision made with regard to IDP205, received by the GCF Secretariat on 14 June 2021. The request contains multiple inquiries, which have been **denied** on 5 November 2021. The GCF Secretariat also clarified that the project is not yet under implementation by the accredited entity.

Inquiry	Decision
How many bifacial panels per MW is the project using?	Denied as per para. 24 of the IDP (information does not exist). Nevertheless, information provided by the accredited entity that the actual design requirement will be provided to construction companies during the confidential bidding process was disclosed.
What is the hurricane category of winds that the system is designed to withstand?	Same as above.
How high over the ground will the solar panels be placed?	Denied, as per paragraph 11(e)(i) and (ii) of the Information Disclosure Policy (information provided in confidence). Nevertheless, information provided by the accredited entity that the actual design requirement will be provided to construction companies during the confidential bidding process was disclosed.
What is the agricultural productivity in Fiji under solar PV for the crops usually grown there as compared to productivity in the open?	Denied, as per paragraph 11(e) of the Information Disclosure Policy (information provided in confidence). Nevertheless, a summary of available information provided by the accredited entity was disclosed.
