

Decisions made for information disclosure request IDP327

20 April 2023

This document lists the decision made with regard to IDP327, received by the GCF Secretariat on 14 February 2022. The request contains multiple inquiries, with the first item being granted and the second item being denied on 25 March 2022, and the third item being partially granted on 20 April 2023. As such, this request has been **partially granted**.

Inquiry	Decision
Funding proposals not approved by the GCF Board	Granted. The requester was provided with links to the GCF website.
Readiness funding proposals submitted to the Secretariat that did not result in readiness funding being distributed	Denied as per para. 24 of the Information Disclosure Policy or IDP (information does not exist). The Secretariat clarified that it is not in a position to reject nor deny any readiness proposal, given that these proposals are “country-owned”.
Funding proposals made to the GCF Secretariat that did not ultimately reach the GCF Board	Partially Granted. The requester was provided with the link to the B.35 Board document on the “Status of the GCF pipeline, including the status of Project Preparation Facility requests” containing Annex I: List of funding proposals (Funding proposals in the GCF pipeline at different stages of the review process), which discloses various pipeline information under specific categories of information. Information falling under other categories is not disclosable as per para. 11(e)(i) (information provided in confidence), 11(h) (Limited Distribution), and 11(f)(i) (deliberative information), IDP. As the request was broad, the requester was informed that they may file another request that is in line with paragraph 22 of the IDP.
