

We confirm that AML / CFT Assessments are carried out by KfW in accordance with its internal Compliance Policies and Standards pursuant to applicable German laws (German Money Laundering Act (GwG) and the German Banking Act (KWG)).

A KYC assessment has been conducted accordingly on all relevant representatives of the Foundation Blue Action Fund. Such representatives have been duly identified and assessed by KfW. In accordance with its Compliance Policies and Standards KfW will continuously monitor the business relationship and update the relevant documents, data and information at appropriate intervals.

Within the Blue Action Fund corresponding processes and procedures for a respective identification of its business partners have been incorporated in its operational guidelines.
