**RE: Letter of Support for the Green Climate Fund (GCF) proposal for the Philippines: Multi-Hazard Impact-Based Forecasting and Early Warning System for the Philippines**

Dear Sir/Madam:

On behalf of the United Nations World Food Programme, I am pleased to support the Green Climate Fund (GCF) proposal led by Landbank of the Philippines and the Philippine Atmospheric, Geophysical and Astronomical Services Administration (PAGASA) entitled Multi-Hazard Impact-Based Forecasting and Early Warning System for the Philippines.

UN World Food Programme is pleased to become an Implementing Partner for this GCF Project. In agreement with the Accredited Entity (AE), we commit to implement the proposal's component related to forecast-based financing with our agency's institutional readiness, expertise and global experience in this technical area.

We are looking forward to fully support the Project in with logistical capabilities and technical capacity at our headquarters, region and country-level as may be determined during the preparation of the Funding Proposal.

Sincerely,

**JUTTA NEITZEL**

Officer-in-Charge  
UN World Food Programme – Philippines
