Letter of Support for the Green Climate Fund (GCF) Project: Multi-Hazard Impact-Based Forecasting and Early Warning System for the Philippines

Dear Sir/Madam:

On behalf of the Department of the Interior and Local Government (DILG), I am pleased to support the Green Climate Fund (GCF) Project: Multi-Hazard Impact-Based Forecasting and Early Warning System for the Philippines.

The DILG stands ready to use its institutional readiness, expertise and experience as the agency with the mandate to exercise general supervision over local governments. With this, the DILG can aid in the implementation and contribute to the success of the project.

The DILG would be pleased to become an Implementing Partner for the GCF Project. We commit to sustain the implementation and maintain the resources from the said project.

We are looking forward to fully support the Project in the form of policy development, logistical, and manpower, as may be determined during the preparation of the Funding Proposal.

Very truly yours,

EDUARDO M. AÑO
Secretary, DILG
