**Letter of Support for the Green Climate Fund (GCF) Project:
Multi-Hazard Impact-Based Forecasting and Early Warning System for the Philippines**

Dear Sir/Madam:

On behalf of the Local Government Unit of New Bataan, Compostela Valley, I am pleased to support the Green Climate Fund (GCF) Project: Multi-Hazard Impact-Based Forecasting and Early Warning System for the Philippines.

LGU New Bataan stands ready to use its institutional readiness, expertise and experience in disaster risk reduction and management. These include community driven approach in planning processes, project implementation and project monitoring and evaluation. The municipality's DRRM Office had been established and institutionalized already that can best complement in the implementation of the project.

LGU New Bataan would be pleased to become an Implementing Partner for the GCF Project.

We are looking forward to fully support the Project in a form of funding, logistical, manpower, and resources as may be determined during the preparation of the Funding Proposal.

Very truly yours,

GERALDFORD N. BALBIN
Municipal Mayor
New Bataan, Compostela Valley
