**Internal Approval to Implement Proposed Funded Activity**

Dear Madam, Sir,

In my capacity as Executive Coordinator of the Global Environmental Finance Unit of the United Nations Development Programme (the “Accredited Entity”), and the designated focal point of the Accredited Entity for the Green Climate Fund (the “Fund”), I am duly authorized to issue this certificate in accordance with the Accreditation Master Agreement (“AMA”), dated 5 August 2016 entered into between the Fund and the Accredited Entity for the purposes of Clause 4.13(b) of the AMA.

For the issuance of this certificate, I have reviewed the Accredited Entity’s internal due diligence and relevant clearance process for the approval and implementation of the project/programme “Building Climate Resilience of Vulnerable Agricultural Livelihoods in Southern Zimbabwe” (the “Funded Activity”).

I am of the opinion and confirm that:

- (a) all required internal approvals have been obtained on 1 October 2018 by the Accredited Entity to undertake the Funded Activity; and
- (b) the Accredited Entity has the capacity and authority to implement the Funded Activity.

Yours faithfully,
