Subject: Co-financing commitment letter for “Enabling Implementation of Forest Sector Reform in Georgia to Reduce GHG Emissions from Forest Degradation” in Georgia

Dear Madam/Sir,

I am writing to you to express our commitment to support the above-mentioned project, as described in the Funding Proposal submitted to the Green Climate Fund (GCF) for funding by the Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH.

This is to confirm that the Ministry of Environmental Protection and Agriculture intends to ensure up to EUR 35 million to co-finance the project from the Georgian side during 7 years, in case of receiving the grant from GCF.

Furthermore, we confirm that the revenues that the National Forestry Agency generates with the support of the project will be re-invested into the project implementation.

Kindly note that this letter does not constitute a legally binding commitment. The final funding decision is subject to legal, budgetary and policy considerations of the Government of Georgia and the project approval by the GCF Board.

Sincerely,

George Khanishvili

First Deputy Minister
