**Letter of Intent to contribute to Planting Climate Resilience
in Rural Communities of the Northeast, Federative Republic of Brazil**

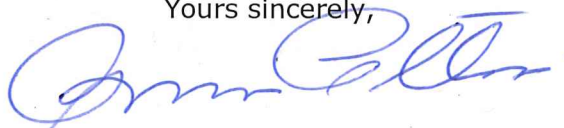

To whom it may concern,

We are pleased to inform you that, in case of approval of the Planting Climate Resilience in Rural Communities of the Northeast, Federative Republic of Brazil ¹ (the "Funded Activity"), the International Fund for Agricultural Development (IFAD) will endeavor to provide co-financing to the Funded Activity as described in the funding proposal submitted by IFAD ² (the "Funding Proposal") to the Green Climate Fund (GCF) for its consideration.

The planned amount of the co-financing will be up to 30 million USD (thirty million US Dollars) ³ in the form of a loan contribution from the country's expected quota of the Performance Based Allocation System (PBAS).⁴

Kindly note that this letter does not constitute a legally binding commitment of any kind, as the final approval of the co-financing is subject to IFAD's legal, budgetary and policy considerations, including that of IFAD's Executive Board or President, as per applicable procedures.

Yours sincerely,

Rossana Polastri
Regional Director
Latin America and the Caribbean Division
