Subject: Internal Approval to Implement Proposed Funded Activity in Federated States of Micronesia.

Dear Madam, Sir,

In my capacity as Executive Director of the Micronesia Conservation Trust (the "Accredited Entity"), and the designated focal point of the Accredited Entity for the Green Climate Fund I am duly authorized to issue this certificate in accordance with the Accreditation Master Agreement, dated November 13, 2017 entered into between the Fund and the Accredited Entity.

For the issuance of this certificate, I have reviewed the internal due diligence and relevant clearance process for the project "Climate resilient food security for farming households across the Federated States of Micronesia" (the "Funded Activity").

I am of the opinion and confirm that:

(a) all final internal approvals have been obtained by the Accredited Entity as required to undertake the Funded Activity; and (b) the Accredited Entity has the capacity and authority to implement the Funded Activity.

Sincerely,

William Kostka
Executive Director
