To: Mr. Ko Goto,  
Chief Representative  
Japan International Cooperation Agency (JICA) Timor-Leste office  
Dili, Timor-Leste  
And The Green Climate Fund "GCF"

**Re: Co-financing commitment letter for the GCF-funded project titled 'Community-based Landscape Management for Enhanced Climate Resilience and Reduction of Deforestation in Critical Watersheds' in Timor-Leste**

Dear Madam/Sir,

The Ministry of Agriculture and Fisheries (MAF) of the Government of Timor-Leste is committed to support 'Community-based Landscape Management for Enhanced Climate Resilience and Reduction of Deforestation in Critical Watersheds' in Timor-Leste that was proposed to the Green Climate Fund (GCF) for funding.

This is to confirm the In-kind and grant contribution of the Directorate General of Forestry, Coffee and Industrial Plants (DGFCIP), Ministry of Agriculture and Fisheries (MAF) to co-finance the project, should the proposal be approved, with a total value of USD 1,972,222 (USD 1,539,586 as grant and USD 432,636 as In-kind).

DGFCIP is committed for the post-project sustainability to assure the long-term sustainability of the CBNRM mechanism in the GCF-supported areas (i.e. in the critical four watershed), as well as to expand the CBNRM mechanism to other critical watersheds in accordance with the CBNRM roadmap.

I look forward to continued partnership with JICA and commencing of the project implementation, subsequent to consideration and approval by the GCF board.

Sincerely yours,

  
Eng. Pedro dos Reis, M. Si  
Minister
