Dear Mr. Kawasaki,

Re: Operation and maintenance commitment letter for coastal structures to be developed under Building Climate Resilient Safer Islands in the Maldives project

I refer to the letter referenced 13-N1/PRIV/2020/122 (dated 5 February 2020) from the Ministry of Finance., and our letter number 438-CCD/PRIV/2021/163 (dated 8 April 2021) expressing our commitment to “Building Climate Resilient Safer Islands in the Maldives” project proposed for GCF funding in association JICA.

I'm writing to inform you that the Ministry of Environment is committed to provide post-project sustainable operations and maintenance support of costal structures and measures to be developed under the above mentioned project.

I look forward to sustainable implementation of the project should the project be approved by the GCF board.

Thank you.

Yours sincerely,

Ajwad Musthafa,
Permanent Secretary
