20 July 2021

Mr. Yannick Glemarec  
Executive Director  
Green Climate Fund

Dear Mr. Glemarec,

*Monsieur le Directeur Exécutif,*

**Co-financing commitment to the GCF-funded project "Climate change adaptation solutions for Local Authorities in the Federated States of Micronesia"**

This letter serves to confirm the co-financing provided by the Pacific Community (SPC) to support the implementation of the Green Climate Fund (GCF) project "Climate change adaptation solutions for Local Authorities in the Federated States of Micronesia".

The objectives of the GCF project are well aligned with the goals of SPC in terms of supporting Member countries such as the Federated States of Micronesia to reduce vulnerability to the impacts of climate change. In particular, SPC is supportive of the way in which the project will foster locally-owned and locally-led adaptation action.

Under this commitment, SPC will provide in-kind co-financing to the value of USD 91,750 towards the achievement of the project outcomes. In addition, in-kind co-financing to the value of USD 110,160 will be provided towards the project management costs for the project to ensure its smooth and successful execution. These commitments include staff time as well as office space, equipment and other facilities comprising a combined total of USD 202,510 over the project implementation period.

We look forward to the approval of this project and the continued cooperation with GCF and the Government of the Federated States of Micronesia on taking action to address climate change.

Yours sincerely,

*Bien cordialement,*

Cameron Diver  
Deputy Director-General
