MEMORANDUM

To : GCF

From : Kosrae State Governor

SUBJECT : **CLIMATE CHANGE ADAPTATION SOLUTIONS FOR LOCAL AUTHORITIES**

I am pleased to confirm that the State of Kosrae is in full support and will work with all pertinent parties to push for early implementation of the about undertaking. Our state continues to be threatened by changes in the elements and can do every little to be on the safe side. That said, we wish to be part of programs such as this to give us guidance and hopes to keep our environment safe.

As part of our commitment, we will contribute 718,432 especially in in-kind co-financing to support its implementation and progress. This commitment results in the values of workspaces, employees' participation, and other needs the undertaking will require.

I give assurance of my State's commitment to the successful rollout of this program. I, on this date affix my signature below indicating that the State of Kosrae will do its best to contribute to the success of this program.
