

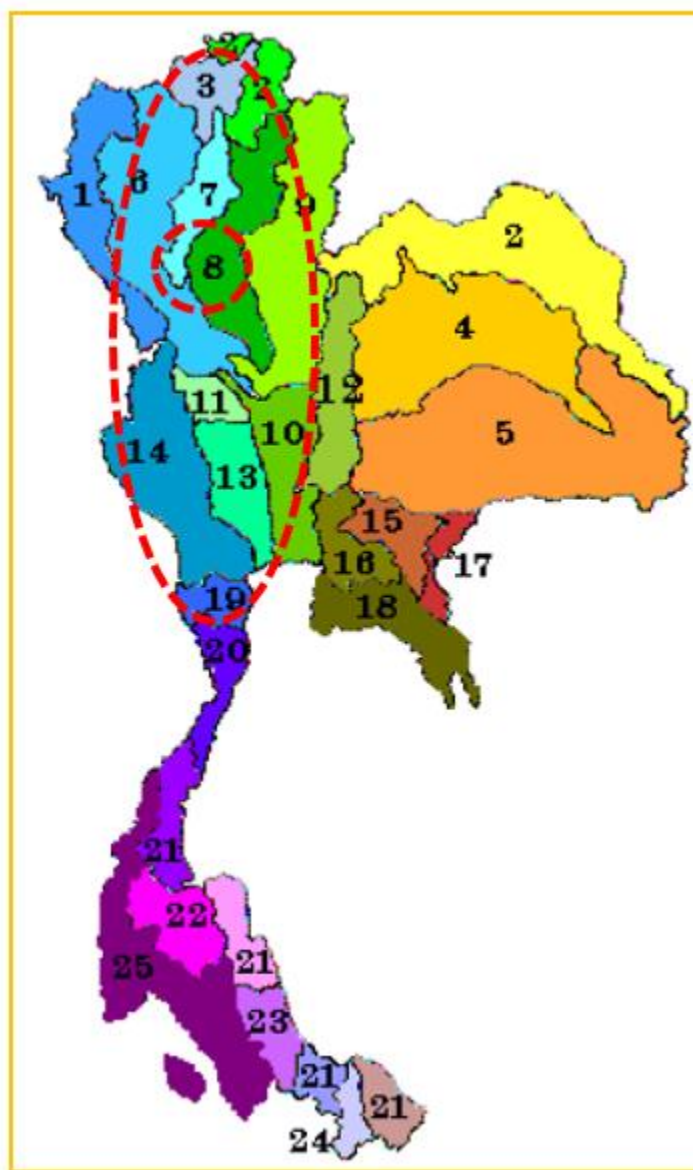

## Map Indicating the Location of the Project

Below is a provincial map of Thailand. The larger area highlighted by a red dashed line is the larger Chao Phraya river basin. The smaller circle within that area is the site of the proposed GCF project, between the Yom and Nan rivers.

## Map of 13 locations (proposed GCF sites in blue)

The below map indicates the long-term planned upgrades for the Yom Nan river basin area. In blue are the sites selected by RID for the GCF project.
