Re: Co-financing commitment letter for Enhancing Early Warning Systems to build greater resilience to hydro-meteorological hazards in Timor-Leste

Dear Sir,

I am writing to you to express our commitment to support "Enhancing Early Warning Systems to build greater resilience to hydro-meteorological hazards in Timor-Leste" that is proposed to the Green Climate Fund (GCF) for funding approval.

This is to confirm the in-kind contribution of the Government of Timor-Leste to co-finance the programme, should the proposal be approved, with a total value of USD \$748,400.00 (Seven Hundred Forty-Eight Thousand, Four Hundred United States Dollars).

Kind regards,

Juliao dos Reis (Ph.D.)
