CO-FINANCING COMMITMENT LETTER FOR “ENHANCING COMMUNITY RESILIENCE AND WATER SECURITY IN THE UPPER ATHI RIVER CATCHMENT AREA, KENYA.”

I am writing to you to express our commitment to support the Enhancing Community Resilience and Water Security Programme in the Upper Athi River Catchment Area, in Kenya that was proposed to the Green Climate Fund (GCF) for funding.

This is therefore, to confirm that Water Resources Authority will provide in-kind contribution from the Government of Kenya in the form of staff time and office facilities to co-finance the project. This is meant to support project implementation costs should the proposal be approved, with a total value of USD 220,820.00.
