Re: Funding proposal for the GCF by Banque Ouest Africaine de Développement (BOAD) regarding Hydro-agricultural development with climate smart agriculture practices resilient to climate change in Niger

Dear Sir,

We refer to the project Hydro-agricultural development with climate smart agriculture practices resilient to climate change in Niger as included in the funding proposal submitted by Banque Ouest Africaine de Développement to us on December 16th, 2019.

The undersigned is the duly authorized representative of **Dr. KAMAYE Maâzou**, the National Designated Authority.

Pursuant to GCF decision B.08/10, the content of which we acknowledge to have reviewed, we hereby communicate our no-objection to the Hydro-agricultural development project with climate smart agriculture practices resilient to climate change in Niger included in the funding proposal.

By communicating our no-objection, it is implied that:

- (a) The government of Niger has no-objection to the project as included in the funding proposal ;
- (b) The project as included in the funding proposal is in conformity with Niger's national priorities, strategies and plans ;

Email : biocnedd@intnet.ne

✓

(c) In accordance with the GCF's environmental and social safeguards, the project as included in the funding proposal is in conformity with relevant national laws and regulations.

We also confirm that our national process for ascertaining no-objection to the project as included in the funding proposal has been duly followed.

We acknowledge that this letter will be made publicly available on the GCF website.

Kind regards,

Dr. KAMAYE Maâzou

Secrétaire Exécutif du CNEDD
