Re: Co-financing commitment letter for Heritage Colombia (HECO): Maximizing the contributions of Sustainably Managed Landscapes in Colombia for achievement of Climate Goals in Colombia

Dear Madam/Sir,

I am writing to express our commitment to support Heritage Colombia (HECO) that seeks to maximize the contributions of the Sustainably Managed Landscapes in Colombia for the achievement of the Climate Objectives proposed to the Green Climate Fund (GCF) for financing.

This is to confirm the non-reimbursable contribution from the Government of Colombia to co-finance the project, should the proposal be approved, for a total value of US \$43.400.000

Cordially,
