Dear Mr. Roberts and GCF Board,

I am writing to you to express our commitment to support *Recharge Pakistan: Building Pakistan's resilience to climate change through Ecosystem-based Adaptation and Green Infrastructure for integrated flood risk management* that was proposed to the Green Climate Fund (GCF) for funding.

This is to confirm that the United States Agency for International Development (USAID) has recently entered a Cooperative Agreement with WWF to co-finance the project, subject to the availability of funds and approval of the proposal by the GCF Board, with a total USAID contribution of \$5,000,000.

Sincerely yours,
