Re: Internal Approval to Implement Proposed Funded Activity

Dear Madam, Sir,

I am **Sophie Patricia Coleman, General Counsel, Legal Practitioner registered in Australia**, acting for Save the Children Australia (the "Accredited Entity"), and in such capacity am duly authorised to issue this legal opinion in accordance with the Accreditation Master Agreement, dated 20th December 2019 entered into between the Accredited Entity and Fund.

For the issuance of this legal opinion I have reviewed:

- a) the Constitution of the Accredited Entity; and
- b) the approval of the board of the Accredited Entity approving the Solomon Islands Knowledge-Action-Sustainability for Resilient Villages (the "Funded Activity") (formerly known as the Solomon Islands Community-based Climate Resilience Project).

I am of the opinion and confirm that:

- a) the Funded Activity and the Solomon Islands Community-based Climate Resilience Project are one and the same project for which approval by the board has been provided;
- b) all required internal approvals have been obtained by the Accredited Entity to undertake the Funded Activity, as adopted by minute of resolution of the board dated 23 November 2022; and
- c) the Accredited Entity has the capacity and authority to implement the Funded Activity.

Yours faithfully,

Sophie Coleman
