Re: Co-financing commitment letter for the project *Scaling Up Climate Resilience Solutions for Burundian Smallholders in Burundi*

Dear Madam/Sir,

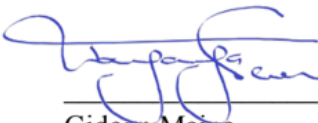

I am writing to you to express our commitment to support for the project *Scaling Up Climate Resilience Solutions for Burundian Smallholders in Burundi* that was proposed to the Green Climate Fund (GCF) for funding.

This is to confirm that One Acre Fund will mobilize the following co-financing for this project:

1. Pershing Square Philanthropies - funding commitment fully secured: \$3 million grant (see attached letter)
2. Dovetail Impact Foundation - funding commitment fully secured: \$6 million grant (see attached letter)
3. Knight Family Foundation - funding commitment fully secured: \$1 million grant (see attached letter)

In total, this represents a committed **\$10 million mobilization of co-financing** from the foundations listed above.

Sincerely yours,

Gideon Maina
