Dear Madam/Sir,

I am writing to you to express our commitment to support the Multi-country Project Advancing Early Warnings for All (EW4All) that was proposed to the Green Climate Fund (GCF) for funding.

This is to confirm the parallel financing grant contribution from the Systematic Observations Financing Facility (SOFF) to support the project, should the proposal be approved, with a total value of 18.1M in approved funding and an additional approximately 22M in estimated funding to be approved for the 7 countries included in the GCF project.

Sincerely,

Markus Repnik
Director, SOFF Secretariat
