Re: Funding proposal for the GCF by Conservation International regarding Adapting tuna-dependent Pacific Island communities and economies to climate change.

Dear Madam, Sir,

We refer to the programme titled Adapting tuna-dependent Pacific Island communities and economies to climate change in the 14 Pacific Island Countries including the Republic of the Marshall Islands as included in the funding proposal submitted by Conservation International to us on 15th March 2024.

The undersigned is the duly authorized representative of the Climate Change Directorate, the National Designated Authority of the Republic of the Marshall Islands.

Pursuant to GCF decision B.08/10, the content of which we acknowledge to have reviewed, we hereby communicate our no-objection to the programme as included in the funding proposal.

By communicating our no-objection, it is implied that:

- (a) The Government of the Republic of the Marshall Islands has no-objection to the programme as included in the funding proposal;
- (b) The programme as included in the funding proposal is in conformity with the Republic of the Marshall Islands national priorities, strategies and plans;
- (c) In accordance with the GCF's environmental and social safeguards, the programme as included in the funding proposal is in conformity with relevant national laws and regulations.

We also confirm that our national process for ascertaining no-objection to the programme as included in the funding proposal has been duly followed.

We also confirm that our no-objection applies to all projects or activities to be implemented within the scope of the programme.

We acknowledge that this letter will be made publicly available on the GCF website.

Kind regards,

Clarence Samuel
Director/NDA

Republic of the Marshall Islands
