UN Environment Programme,
Nairobi, Kenya.

Sub: Co-financing Commitment Letter for the Project Titled “Toward Risk-Aware and Climate-resilient communities (TRACT) – Strengthening climate services and impact-based multi-hazard early warning in Maldives”

Dear Sir,

I am writing to formally express our commitment to supporting the project titled “Toward Risk-Aware and Climate-Resilient Communities (TRACT) – Strengthening Climate Services and Impact-Based Multi-Hazard Early Warning in the Maldives.” This project has been proposed for funding approval by the Green Climate Fund (GCF).

We hereby confirm the in-kind contribution of the Ministry of Tourism and Environment (MTE) as co-financing for the project, should the proposal be approved. The total value of this contribution amounts to USD 197,900.00 (One Hundred Ninety-Seven Thousand Nine Hundred United States Dollars).

Sincerely,

Amjad Abdulla,
Director General
