**Re: Post-project equipment Operation & Maintenance and staff commitment letter for the project "Toward Risk-Aware and Climate resilient communities (TRACT) - Strengthening climate services and impact-based multi-hazard early warning in Maldives"**

Dear Madam, Sir,

This letter confirms the commitment to supporting the project *"Toward Risk-Aware and Climate resilient communities (TRACT) - Strengthening climate services and impact-based multi-hazard early warning in Maldives"* that is proposed to the Green Climate Fund (GCF) for funding approval.

The Maldives Meteorological Service (MMS) will ensure the operation and maintenance of observing equipment procured for Maldives under the abovementioned project after its implementation for the lifetime of the equipment, up to a period of 20 years.

Kind regards,

Abdulla Wahid  
Director General Meteorology
