

International Fund for Agricultural Development (IFAD)

And

The Green Climate Fund “GCF”

Dear Sir/Madam,

Subject: Co-financing commitment letter for Dairy Interventions for Mitigation and Adaptation (DaIMA) in Rwanda.

I am writing to express our strong commitment to support the proposed *Dairy Interventions for Mitigation and Adaptation (DaIMA)* Programme in Rwanda, which has been submitted to the Green Climate Fund (GCF) for consideration.

This letter serves to confirm the Government of Rwanda’s intention to provide both grant and in-kind contributions toward the co-financing of Component 2 of the Programme, should the proposal be approved. The total value of this contribution amounts to **USD 14,746,830** (fourteen million, seven hundred forty-six thousand, eight hundred thirty US dollars), from the RDDP2 funding.

We remain dedicated to advancing climate-resilient agricultural development and believe this Programme aligns well with our national priorities.

Sincerely,

Dr. Olivier KAMANA
