Mr. Yannick Glemarec  
Executive Director  
Secretariat of the Green Climate Fund  
175 Art Center-daero  
Yeonsu-gu, Incheon 406-840  
Republic of Korea

Dear Mr. Glemarec,

**RE: Change of Country Focal Point (The Bahamas)**

The Bahamas, through the Ministry of the Environment and Natural Resources thanks you for the support as we tackle the challenges posed to all by climate change.

We also wish to advise of a change in the National Focal Point, as the Ministry of the Environment and Natural Resources will resume responsibilities for Multilateral Environmental Agreements. Dr. Rhianna Neely-Murphy will replace Ms. Rochelle Newbold as the alternate contact for The Bahamas to the Green Climate Change (GCF). The information is given below:

Dr. Rhianna Neely-Murphy  
Director of the Department of Environmental Planning and Protection Unit  
Charlotte House  
Ground Floor  
Charlotte & Shirley Streets  
P.O. Box N-4849  
Nassau, The Bahamas  
Telephone: (242) 322-6005/6
