COURTESY TRANSLATION

*The Minister of Popular Power for
Foreign Relations
of the Bolivarian Republic of Venezuela*

Caracas, October 20, 2021

Honorable Mr.
Yannick Glemarec
Executive Director
Green Climate Fund
Icheon, South Korea

It is appropriate to express our warmest greetings on the occasion of formalizing the incorporation of the Bolivarian Republic of Venezuela to the Green Climate Fund (GCF) of the United Nations Framework Convention on Climate Change (UNFCCC).

Last September, President of the Republic, Nicolás Maduro Moros, approved by Presidential Decree the "Designated National Authority" of our country before the Green Climate Fund (GCF); this will fall on the Ministry of People's Power for Ecosocialism, in the person of Minister Josué Alejandro Lorca Vega. With this, we wish to formalize the entry and participation of our country in this instance for climate finance of fundamental importance to leverage national climate action.

From the Bolivarian Republic of Venezuela, and as a signatory country of the Paris Agreement, we are convinced that this institutional financial alliance will result in multiple benefits for the work being carried out in the fight against Climate Change, mitigation, and adaptation, in addition to promoting the viable transformations necessary for a post-pandemic stage, following the strategies contained in the historic 5th Objective of the Plan of the Homeland of our National Government.

Thanking you in advance for your efforts to complete this process, I ratify the assurances of a fruitful inter-institutional relationship of work and cooperation, which will benefit humanity and the planet.

Felix Pasencia González

*El Ministro del Poder Popular para
Relaciones Exteriores
de la República Bolivariana de Venezuela*

000225

Caracas, 20 de octubre de 2021

**Honorable Señor
Yannick Glemarec
Director Ejecutivo
Fondo Verde del Clima
Icheon, Corea del Sur**

Es propicia la ocasión para expresar un saludo muy cordial en la oportunidad de formalizar la incorporación de la República Bolivariana de Venezuela al Fondo Verde del Clima (FVC) de la Convención Marco de las Naciones Unidas sobre Cambio Climático (CMNUCC).

El pasado mes de septiembre, el Presidente de la República, Nicolás Maduro Moros, aprobó mediante Decreto Presidencial la figura de la "Autoridad Nacional Designada" de nuestro país ante el Fondo Verde del Clima (FVC), la cual recaerá en el Ministerio del Poder Popular para el Ecosocialismo, en la persona del Señor Ministro Josué Alejandro Lorca Vega, y con ello se desea formalizar el ingreso y la participación de nuestro país en esta instancia para el financiamiento climático, de fundamental importancia para apalancar la acción climática nacional.

Desde la República Bolivariana de Venezuela, y como país signatario del Acuerdo de París, estamos convencidos que esta alianza financiera institucional redundará en múltiples beneficios para las labores que se adelantan en la lucha contra el Cambio Climático, la mitigación y la adaptación, además de promover las transformaciones viables necesarias para una etapa post-pandemia, acorde a las

Relaciones Exteriores
de la República Bolivariana de Venezuela*

estrategias contenidas en el histórico 5to Objetivo del Plan de la Patria de nuestro Gobierno Nacional.

Agradeciendo de antemano las gestiones para completar este proceso, le ratifico las seguridades de una naciente relación interinstitucional fructífera de trabajo y de cooperación, que redundará en el beneficio de la humanidad y del
