Re: Co-financing commitment letter for "Enhancing Sustainable Land Management and Climate-Resilient Agri-food Systems in Côte d'Ivoire (LARACI)" in Côte d'Ivoire

Dear Madam/Sir,

I am writing to you to express our commitment to support "*Enhancing Sustainable Land Management and Climate-Resilient Agri-food Systems in Côte d'Ivoire (LARACI)*" in Côte d'Ivoire that was proposed to the Green Climate Fund (GCF) for funding.

This is to confirm the expected contribution of the International Centre for Tropical Agriculture to co-finance the project, should the proposal be approved, with a total value of 748,800 USD for the grant contribution, and a total value of 645,486 USD for the in-kind contribution.

Sincerely yours,

Maya Rajasekharan
Director General, International Center for Tropical Agriculture-CIAT
Managing Director, Alliance Bioversity International and CIAT

The Alliance of Bioversity International and the International Center for Tropical Agriculture (CIAT) is part of CGIAR, a global research partnership for a food-secure future.
Bioversity International is the operational name of the International Plant Genetic Resources Institute (IPGRI).
