To whom it may concern,

We are pleased to inform you that the German Federal Ministry for Economic Cooperation and Development (BMZ) intends to provide financing for the GCF project "Building the resilience of Togo's national health system and vulnerable communities to climate-sensitive health outcomes", as described in the Funding Proposal submitted by the Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH ("GCF project").

BMZ intends to provide financing to the GCF project with a total amount of up to 6.400.000 EUR (in words: six million four hundred thousand Euro) by commissioning GIZ with two projects. BMZ has allocated an amount of 2.900.000 EUR (in words: two million nine hundred thousand Euro) for climate-related interventions under the project "Health System Strengthening – Sexual and Reproductive Health and Rights (ProSanté III)". The Ministry further intends to provide an additional amount of 3.500.000 EUR (in words: three million five hundred thousand Euro) for the

successor project “Strengthening a climate-resilient health system – reproductive health and sexual rights (ProSanté IV)” in Togo. Both amounts are eligible for co-financing the GCF project according to GCF guidelines, with the commission for ProSanté III dated 04.01.2024 and the commission for ProSanté IV planned for the third quarter of the year 2026.

Kindly note that this letter does not constitute a legally binding commitment.

Please accept our assurances of the longstanding partnership between GCF and BMZ.

Yours sincerely,

By order
