Remarks on compliance with GCF policies	English version: As part of the Green Climate Fund (GCF) Funding Proposal " <i>Building the resilience of Togo's national health system and vulnerable communities to climate-sensitive health outcomes</i> ", GIZ is publishing the project's Environmental and Social Safeguards (ESS) documents.

	<p>These documents identify potential environmental and social risks of the project and describe how these will be avoided, mitigated, and monitored during implementation, in line with the GCF's revised environmental and social safeguards policy. ESS reports consistent with the requirements for a Category B project are contained in the documents above/below.</p> <p>French version: Dans le cadre de la proposition de financement du Fonds Vert pour le Climat (GCF) « <i>Renforcer la résilience du système national de santé du Togo et des communautés vulnérables face aux effets sanitaires du changement climatique</i> », la GIZ publie les documents relatifs aux Sauvegardes Environnementales et Sociales (ESS) du projet. Ces documents identifient les risques environnementaux et sociaux potentiels du projet et décrivent comment ceux-ci seront évités, atténués et suivis pendant la mise en œuvre, conformément à la politique révisée de sauvegardes environnementales et sociales du GCF. Les rapports ESS conformes aux exigences applicables à un projet de Catégorie B sont contenus dans les documents ci-dessus/ci-dessous.</p>
