Appointment of members to Board committees

GCF/BM-2026/07

27 July 2026

Proposal for a decision between meetings

I. Introduction

1. The Board, at its forty-first meeting (B.41), decided to appoint members to its standing committees for the fifth term of Board membership.
2. Pursuant to paragraph 30 of the Rules of Procedure of the Board, the Board appoints members to committees “from among its members and/or alternate members”.
3. In line with the “General guidelines for the operation of Board committees” (decision B.44/16, annex IV, hereinafter referred to as “Committee Guidelines”), committee members are appointed by the Board, with committee memberships aligned with the term of Board membership (paragraph 9 of the Committee Guidelines).
4. In accordance with the Committee Guidelines, vacancies in committees may arise during the term of Board membership in two instances. Pursuant to paragraph 8 of the Committee Guidelines, if, within a term of Board membership, a Board member or an alternate Board member who is a committee member is replaced on the Board, that replacement is also applicable in committees, unless the notification of the replacement to the Board seat specifies otherwise. Further, pursuant to paragraph 31 of the Committee Guidelines, committee members automatically cease to be members of a committee if they have missed more than two consecutive committee meetings and were not represented as foreseen in the Committee Guidelines.
5. Two vacancies have arisen, one in the Budget Committee and one in the Operations and Portfolio Committee, pursuant to paragraph 31 of the Committee Guidelines and to intra-constituency reassignments. Nominations have been received from the concerned constituency.
6. According to paragraph 10 of the Committee Guidelines, the replacing committee member will be appointed by the Board for the remainder of the original committee member’s term.

II. Recommended action by the Board

7. It is recommended that the Board adopt the draft decision as set out in annex I.
