Meeting of the Board

26 – 29 October 2026

Songdo, Incheon, Republic of Korea

Provisional agenda item 21

GCF/B.46/05

4 October 2026

Dates and venues of upcoming meetings of the Board

Summary

This document has been prepared to assist the Board in confirming the dates and duration of the forty-seventh meeting of the Board and deciding the venue of the forty-eighth meeting of the Board.

I. Introduction

1. This document has been prepared to assist the Board in confirming the dates and duration of the forty-seventh meeting of the Board (B.47) and deciding the venue of the forty-eighth meeting of the Board (B.48).

II. Dates for the forty-seventh meeting of the Board

2. [Paragraph 17 of the Rules of Procedure of the Board](#) provides that, at each meeting, the Board will confirm the date and duration of the following meeting.

3. By [decision B.45/22, paragraph \(b\)](#), the Board decided that B.47 will take place from Tuesday, 20 April to Friday, 23 April 2027, in the Republic of Korea.

III. Venue of the forty-eighth meeting of the Board

4. By [decision B.45/22, paragraph \(c\)](#), the Board decided that B.48 would take place from Monday, 5 July to Thursday, 8 July 2027, in a location to be decided further by the Board upon recommendation by the Secretariat by B.46.

5. In line with this decision, through its engagements with Nationally Designated Authorities (NDAs) and through recently received offers to host a Board meeting, the Secretariat assessed the offers of Mongolia¹ and Jordan² to host a Board meeting, and both countries confirmed their interest to host a meeting in 2027. The Government of Oman also transmitted a letter expressing interest in hosting a Board meeting³, and engagements with the NDA were initiated.

3.1 Technical mission and assessment of offers to host a Board meeting

6. The Secretariat requires that potential host countries meet specific threshold requirements to host a meeting, as evaluated in a technical mission, and indicate their willingness to enter into a memorandum of understanding (MOU) identifying the requirements, roles, and responsibilities of the host country and GCF.

7. Between 31 August and 8 September, the Secretariat conducted technical missions to Jordan and Mongolia to assess venue and operational aspects, health and security parameters, as well as the preparation of a hosting MOU addressing the necessary privileges and immunities. In order to provide a recommendation to the Board at B.46, the Secretariat also assessed factors that provide assurances that the host country will be able to host the Board meeting on the dates decided by the Board, including the availability of a suitable venue, accommodation capacity, and other key operational requirements.

8. The Secretariat acknowledged the expression of interest received from the Government of Oman. However, given the time available to complete technical missions and prepare a

¹ The Government of Mongolia expressed its interest through a letter signed by the Director-General of the Mongolian Climate Change Department, Mr. Enkhbat Altangerel, dated 4 October 2021 (see annex II).

² The Government of Jordan expressed interest through a letter signed by the Minister of Environment, Dr. Aiman Soleman, and the Minister of Planning and International Cooperation, Ms. Zeina Toukan, dated 22 July 2026 (see annex III).

³ The Government of Oman expressed interest through a letter transmitted by the Embassy of the Sultanate of Oman in Seoul dated 12 August 2026 (see annex IV).

recommendation for consideration by the Board at B.46, the Secretariat could not carry out a technical mission to Oman as part of the present assessment process. Accordingly, the recommendation contained in this document is based on the offers for which the Secretariat was able to complete the technical assessment within the available timeframe.

9. In its evaluation of the missions, the Secretariat concluded that Jordan and Mongolia have satisfied the applicable threshold requirements. As at the date of publication, Mongolia has accorded GCF privileges and immunities under a bilateral agreement which is in full force and effect; the hosting MOU would therefore refer to the relevant provisions of that agreement. Jordan and GCF are currently negotiating a comprehensive host country agreement which is expected to be concluded by the end of the year and which would also provide the necessary privileges and immunities for a potential Board meeting. Should that agreement not be concluded by then, Jordan has indicated its willingness to enter into a hosting MOU with GCF, which would include provisions relating to privileges and immunities for the meeting.

10. Since the conclusion of the missions, the Secretariat has continued to be in contact with Mongolia and Jordan to confirm if the venue(s) assessed and confirmed as appropriate by GCF would be available for the preferred/recommended dates, which are subject to a decision by the Board. Based on these discussions, the Secretariat confirms that both locations meet the requirements for hosting a Board meeting and could recommend either location to be selected by the Board. After consultation with the Board, it is proposed that the second meeting of 2027 take place in Amman, Jordan.

11. The Secretariat welcomes with appreciation the offer of Mongolia and suggests that it be considered for a future meeting.

IV. Recommendations

12. Based on the available information and the process described herein, the Secretariat recommends that the Board confirm the dates and duration of B.47 and decide the venue of B.48 as contained in the draft decision in annex I.

Annex I: Draft decision of the Board

The Board, having considered document GCF/B.46/05 titled “Dates and venues of upcoming meetings of the Board”:

- (a) Recalls and confirms that the forty-seventh meeting of the Board will take place from Tuesday, 20 April to Friday, 23 April 2027, in the Republic of Korea; and
- (b) Decides that the forty-eighth meeting of the Board will take place from Monday, 5 July to Thursday, 8 July 2027 in Amman, Jordan.

TO: Mr. Yannick Glemarec, Executive Director of the Green Climate Fund

The Ministry of Environment and Tourism of Mongolia as the National Designated Authority is presenting compliments to the Green Climate Fund, noting the successful cooperation with the Fund since 2014.

In alignment with the Cooperation Agreement signed in 2019 between the Government of Mongolia and the GCF, Mongolia has been prioritizing climate actions in its development pathway. In partnership with international and direct access entities, Mongolia is successfully implementing several Green Climate Fund projects with tangible outcomes in Mongolia. We hope to have the opportunity to share our experiences with GCF Board members and stakeholders through potential project site visits in 2022.

The Government of Mongolia is expressing its interest to host one of the 2022 GCF Board meetings in Mongolia. Furthermore, I look forward to meeting you and GCF colleagues at the upcoming COP 26 meeting to discuss strengthening our continued partnership.

We would appreciate your kind consideration of this proposal.

Sincerely,

ENKHBAT Altangerel,
DIRECTOR-GENERAL,
CLIMATE CHANGE DEPARTMENT

Subject: Selection of Amman as Host of the Green Climate Fund Regional Office and Invitation to Host the GCF Board's March 2027 Meeting in Jordan

Dear Ms. Duarte,

We refer to your letter dated 28 March 2026 regarding the selection of Amman as the host city for the Green Climate Fund (GCF) Regional Office for Eastern Europe, Central Asia, and the Middle East. We wish to express our sincere appreciation for this important decision.

We warmly welcome this outcome, which reflects the strength of the partnership between Jordan and the GCF and builds on Jordan's steadfast commitment to advancing climate action and supporting climate finance efforts at the highest national levels. We are particularly encouraged by your recognition of Jordan's convening role and its sustained commitment to advancing climate resilience and fostering effective regional partnerships, and we look forward to further strengthening our collaboration with the GCF as we embark on this important new chapter.

Our respective teams have already commenced work on the Host Country Agreement, reflecting our shared commitment to the timely establishment of the Regional Office. Jordan remains fully committed to providing all necessary support for the Office's operationalization, and we look forward to continuing our close cooperation with the GCF Secretariat as we advance this initiative together.

Furthermore, we are pleased to invite the GCF Board to convene its March 2027 meeting in Jordan. We would be honored to host the Board and support the successful organization of this important meeting. Convening the Board in Jordan would provide a timely opportunity to mark the establishment and operationalization of the GCF Regional Office, highlighting the Fund's strengthened engagement with the region. It would also foster regional dialogue, showcase the region's climate priorities and opportunities, and reaffirm our shared commitment to advancing ambitious climate action and sustainable development.

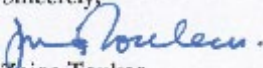

Please accept the assurances of our highest consideration.

Sincerely,

Dr. Aiman A. Soleman
