DEPARTMENT OF HUMAN SETTLEMENT
THIMPHU: BHUTAN

MoIT/DHS/SSPD/Thimphu/2026-2025/ 02

July 1, 2026

LETTER OF COMMITMENT

The Department of Human Settlement under the Ministry of Infrastructure and Transport is pleased to lead the implementation of the project titled "**Livable and Resilient City Project -LRCP**" in Thimphu. The Department will house the Project Management Unit (PMU) for the project and lead the responsibility for overall project implementation, coordination, and collaboration.

The Department recognises that effective operation and maintenance are essential to preserving the functionality, safety, and service quality of the infrastructure investments and to achieving the intended socio-economic benefits of the project.

Accordingly, the Department commits to:

1. Prioritise adequate financial resources for operation and maintenance of project assets after the completion for project implementation.
2. Ensure strong inter-agency coordination with relevant implementing agencies, including Thimphu Thromde, the City Bus Service (CBS), and other stakeholders, to ensure coordinated operation, maintenance, and management of shared project assets.
3. Ensure that the responsible agencies under the Ministry have the necessary technical capacity, personnel, and operational arrangements to effectively manage and maintain the project assets.
4. Ensure systematic transfer of access upon completion to Thimphu Thromde and City Bus Service where appropriate with clear inventory of assets and clear roles and responsibilities for operation and management.

The Department remains committed to supporting the successful implementation and long-term sustainability of the **LRCP** and will continue to work closely with all stakeholders to ensure that the project delivers lasting benefits to the people of Bhutan. The Department acknowledges the joint efforts of World bank and the Ministry of Finance for their support in mobilizing the required resources to complement the ongoing initiatives of the Royal Government of Bhutan.

This letter is issued as the Department's formal commitment regarding the asset transfer, financing and operations and maintenance responsibilities for the project assets under its jurisdiction.

Wangda Dorji
(Director)
