Subject: Letter Of Commitment

The Thimphu Thromde is implementing activities under the project titled "Livable and Resilient City Project -LRCP" in Thimphu. Thromde will house the Project Implementation Unit (PIU) for the project and lead the responsibility for overall project implementation, coordination, and collaboration.

The Thromde Office recognizes that quality infrastructures are essential to ensure inclusive safe, and effective infrastructure investments and to achieve the intended socio-economic benefits of the project.

Accordingly, the Thimphu Thromde commits to:

- Priorities adequate financial resources for operation and maintenance of project assets after the completion for project implementation.
- Ensure the ownership of SCADA and relevant road infrastructures upon completion with clear inventory of assets and clear roles and responsibilities for operation and management. And ensure the capacity to operate/manage the assets received upon completion of the project.

The Thimphu Thromde Office remains committed to supporting the successful implementation and long-term sustainability of the LRCP and will continue to work closely with all stakeholders to ensure that the project delivers lasting benefits to the people of Bhutan. Thimphu Thromde also acknowledges the joint efforts of World bank and the Ministry of Finance for their support in mobilizing the required resources to complement the ongoing initiatives of the Royal Government of Bhutan.

This letter is issued as the Thimphu Thromde's formal commitment regarding the implementation, and ownership of the asset and infrastructures under our jurisdiction.
