Dear Madam/Sir,

We refer to the funding proposal titled "**Regional Programmatic Approach on Climate Action (RPACA)**" in the Republic of Vanuatu submitted by the Asian Development Bank to us in March 2026 (the "**Proposal**").

The undersigned is the duly authorized representative of the Ministry of Climate Change Adaptation, Meteorology & Geo-Hazards, Environment, Energy and Disaster Management, the national designated authority of the Republic of Vanuatu.

Pursuant to GCF Decisions B.08/10, B.37/22, and B.41/02, the content of which we acknowledge to have reviewed, in my capacity as representative of the national designated authority, we hereby communicate our no-objection to the Proposal.

By communicating our no-objection, it is implied that:

- (a) The government of the Republic of Vanuatu has no-objection to the Proposal; and
- (b) The Proposal is in conformity with the national priorities, strategies and plans of the Republic of Vanuatu.

We also confirm that our national process for ascertaining no-objection to the Proposal has been duly followed.

Notwithstanding the foregoing, we expect the Asian Development Bank to take the necessary measures to ensure that the programme [and its sub-projects] as described in the Proposal is implemented in a manner consistent with applicable national laws.

We acknowledge that this letter will be made publicly available on the GCF website.

Kind regards,

Mr. David Gibson
