GCF Regional Dialogue with EECA

Session: how to develop a CN and FP

Battsetseg Tseren, GCF Key Account Manager

07 October 2026, Georgia

PUBLIC

giz Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH

Project at a glance

Objective: enhanced climate resilience of the most vulnerable populations and of the transboundary landscapes they depend upon in Central Asia.

Summary

Project duration: 7 years
Executing Entities: ARIS and MoWRAPI in KG, CIIP in TJ, NCECC in UZ, MoFs & GIZ
Funding volume: EUR 264.3 million

Target group & regions

Land users in **180 municipalities** (60 per country) in Fergana Valley, Khatlon and Surkhandarya regions

Expected impacts

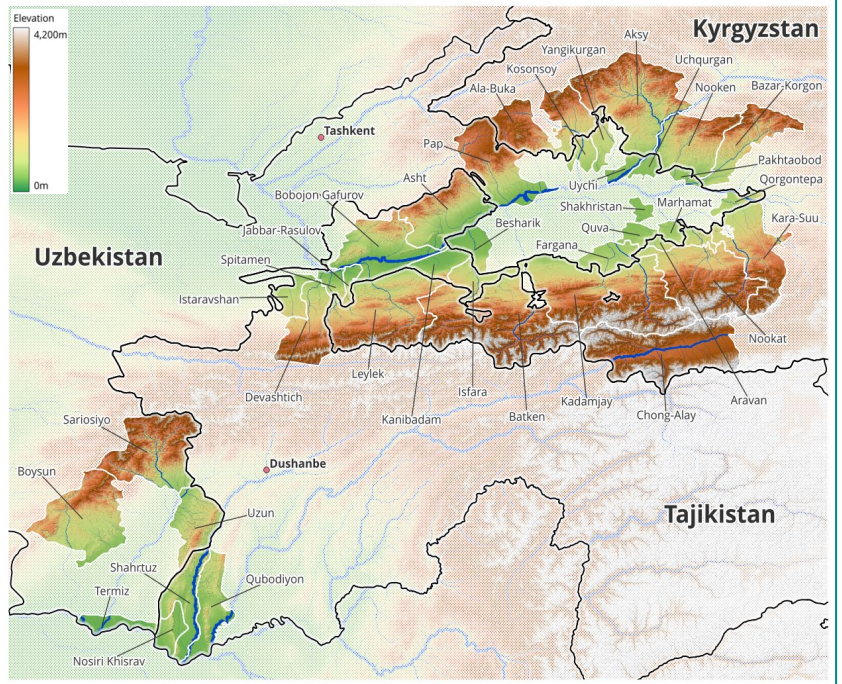

- **Direct beneficiaries:** 1,046,062
- **Indirect beneficiaries**: 1,480,919
- **GHG emissions reduction**: 6.95 million tCO2eq
- **939,354 ha land** under sustainable management, conservation, or restoration

KG
213,730 tCO_2eq/yr (1.63% of the total annual target) ~0.73% of the financing gap.
LDN: 120,000ha

TJ
104,103 tCO_2eq/yr (0.58% of the total annual target) ~2.78% of the financing gap.

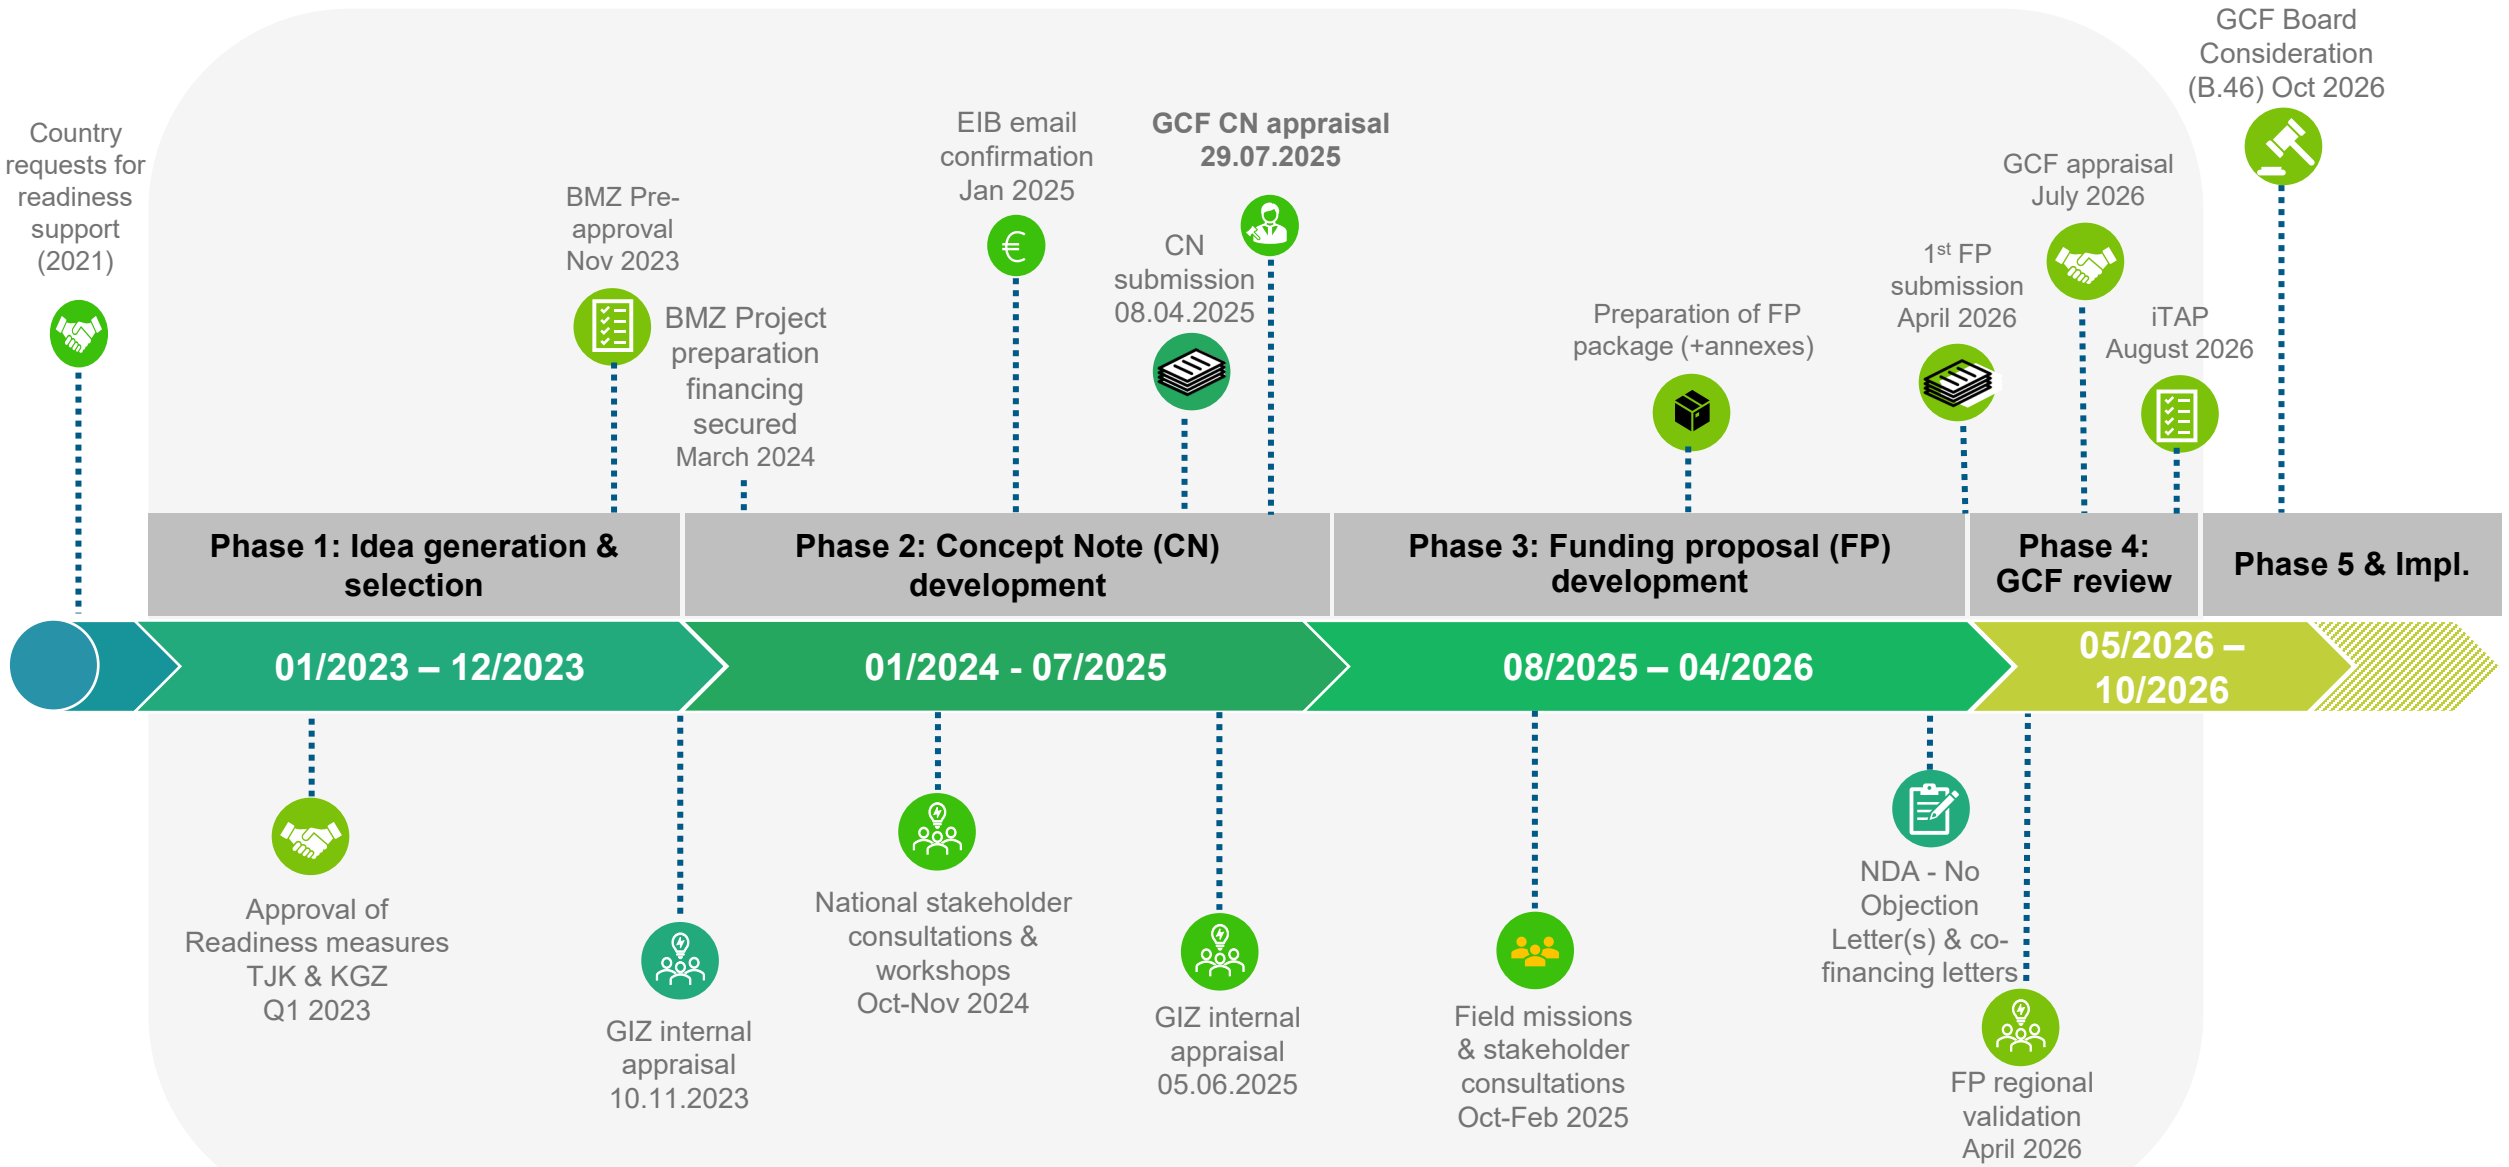

UZ
53,393 tCO_2eq/yr (1.63% of the total annual target) ~0.56% of the financing gap.
LDN: achieve by 2030.

Intervention area

GIZ input | PUBLIC

Overview of the project development process

Country-led design & implementation arrangements

318 individuals at the national level

1,300 individuals at the local level

100+ institutions were consulted during the entire project development stage (both CN and FP) & informed:

- Selection of intervention areas
- Priority value chains
- Implementation partners
- Financing approaches
- Validation of climate risk & vulnerability assessment
- Design of environmental and social safeguards + gender.

Partners and project development team set-up

(Inter-)national partners	NDAs and political partners	Executing entities & potential implementing partners	Germany's Federal Ministry for Economic Cooperation and Development	Regional institutions, e.g., CAREC, and co-financing partners

Technical teams managed by GIZ	Climate risk & vulnerability assessment	Economic and financial model
	Assessment of GHG emissions reduction & monitoring and reporting plan	Financial mechanism, incl. operational manual
	Feasibility study	Conflict sensitivity assessment
	Environmental and social safeguards & gender	Due diligence

	GIZ Central Asia	GIZ HQ
Project development management, coordination, quality check	•Head of Programme •Deputy Head of Programme •**KGZ:** national coordinator(s) •**TJK:** national coordinator(s) •**UZB:** national coordinator(s)	•2 Project Development Managers •Financial System Development Competence Center – advisor •Regional Department •Operational Departments, incl. S+G Desk •Legal Department + Contracting/Finance
