# Overview

- What is project preparation facility (PPF)?
- What are the eligible PPF activities?
- How to apply?
- What is the process?
- What is assessed?
- PPF state of play

# What is Project Preparation Facility (PPF)

- To support project and programme preparation, especially for micro and small sized projects
- **All accredited entities (AEs)**, especially direct accredited entities, can request support from the PPF
- Each request will be subject to a cap of **USD 1.5 million**
- Proposals developed with PPF resources should be submitted to the Board within **two years** after the PPF request was approved

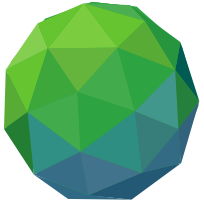

# What are the eligible PPF activities?

1. Pre-feasibility and feasibility studies, as well as project design;
2. Environmental, social and gender studies;
3. Risk assessments;
4. Identification of programme/project-level indicators;
5. Pre-contract services, including the revision of tender documents;
6. Advisory services and/or other services to financially structure a proposed activity; and
7. Other project preparation activities, where necessary, provided that sufficient justification is available.

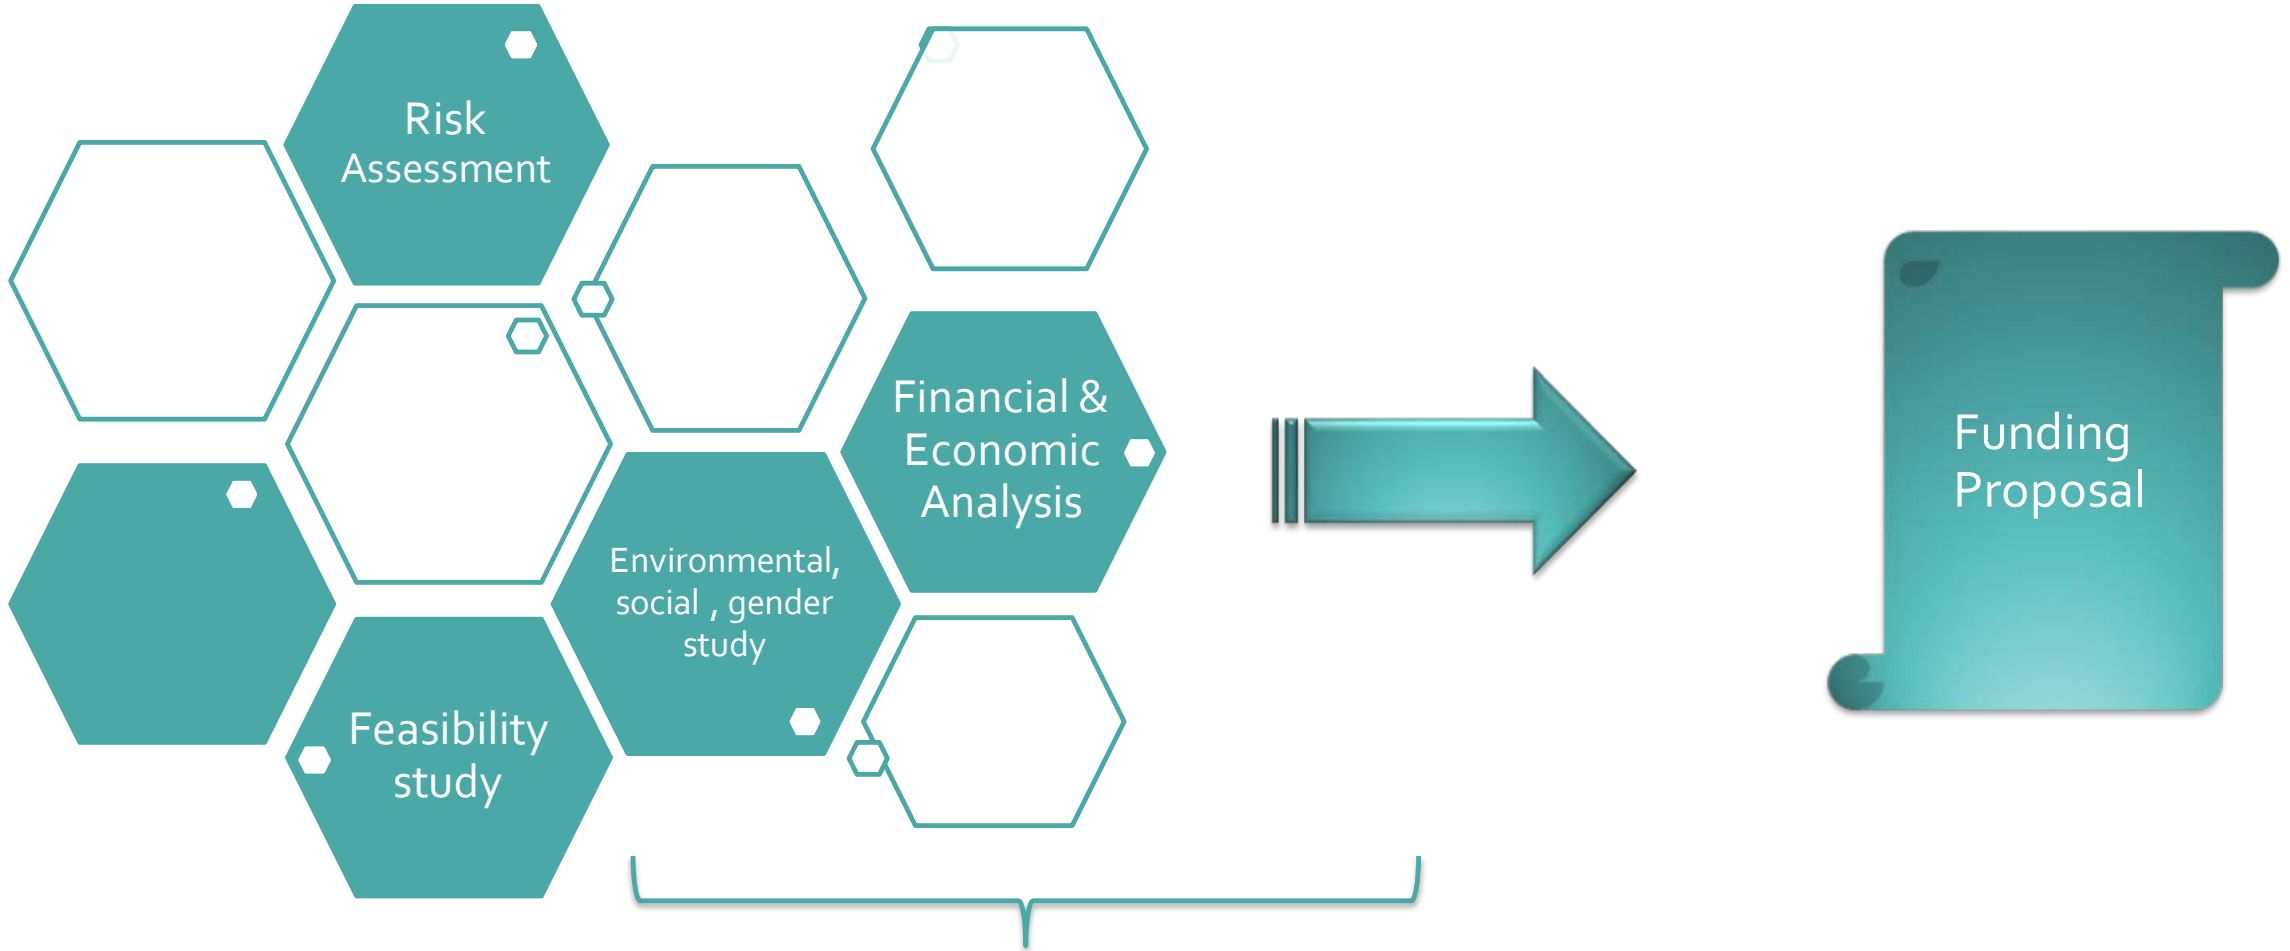

# Completeness of Funding Proposal

## Project documentation:

- No-objection from the country NDA(s)
- Feasibility study -> providing rationale for proposed design, structure & costs
- Procurement plan, budget breakdown
- Environmental and social impact assessment
- Gender assessment and analysis
- Risk assessment
- Logic framework
- Stakeholder consultations

PPF Process

# How to apply

- A PPF request should be submitted by an Accredited Entity to [ppf@gcfund.org](mailto:ppf@gcfund.org)
- Required documents:
  - PPF application form
  - No-objection letter for PPF
  - Project idea (Concept note, or Funding Proposal, or Annex of PPF application form)

# What is the process?

# What is assessed?

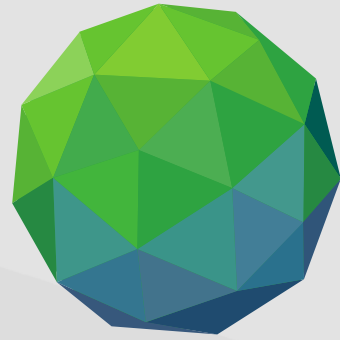

1. Underlying project: assess against GCF investment criteria
2. PPF request:
  - 1) justification of PPF needs
  - 2) activities for funding proposal development
  - 3) budget and implementation plan

# PPF State of Play

- **18** PPF requests have been officially submitted
- Covering **25** countries
- **5** requests are from direct access entities
